TEASE!

THIS · MONTH · IN · CLUB

Sitting over a warm mug of vodka, looking at the grey Soho skyline outside the window, your Editor's thoughts turn to the philosophical. The rich pattern of life is played out before us. The seasons change, the days go by: on Monday the sun was shining, today it's frosty, and we'll probably have rain by the weekend. All is change, a cycle, sap rising and leaves falling, the wheel turns and yet is forever still.

Apart from bottoms, of course. Bottoms are never still. They're always jiggling about. Boobs as well. But never mind that now.

The cause of this pensive mood, apart from the vodka, is the fact that I am just about to buy a flat. Yes, I know this is the wrong time and I'll lose all my dosh, but I'm fed up with paying six billion squid a month to rent a place which has running water down the walls and a large ventilation hole in the ceiling.

As you know, you can't just buy a flat and leave it at that. For a start, the girlfriend starts lingering in front of wedding ring shops. Your friends say they're "glad to see you're settling down". Your mum starts knitting bedspreads, and when she's finished them she goes on to little bootees and kiddy-sized mittens.

In short, the whole world seems to have decided that I am now going to stop getting rat-arsed every night, give up picking up ropey women and start watching *Highway* on Sundays. I am going to *settle down*. And I'm not sure I want to.

Thus the pensive mood. Should I take the plunge into semi-married bliss? As always, I defer to you lot on points like this. So I'll do it this way: if any reader is interested, write in and advise me whether I should buy this flat, and everything that comes with it, or stay (fairly) young, free and single. Whatever the majority decide, I'll go along with it. I'm an easygoing guy.

Now I'm going to forget all this rubbish, and take a good look through the issue. Another look at Patsy Kensit might be a good idea. And there's all those luvverly girls in Florida. And that *gorgeous* Tracy on page 73. And what's all this rubbish about aliens? And where's all the vodka gone? Well, just looks like I'll have to go down the Wellie to get pissed again. – *Ed* ♣

Stunning Sue went to Barbados for Christmas, and among those of you who were dying to slip down her chimney *(do they have them over there then? – Ed)* were Alan of Brighton, Martin and Dominic of Bournemouth, Fraser of Edinburgh and the First XI of somewhere near Newcastle-under-Lyme who want to know "if she'd take all of us on at once." Dunno about that, lads, but what about a five-a-side match?♣

IN·THE·BAG

In The Bag, in the bedroom or in the laundry basket – wherever you do it, tell us about it. And tell your favourite girls what you'd like to do to them, too: you'll get a personal reply in ITB. So get writing to the only men's mag that treats its readers' letters seriously. The address: In The Bag, Club International, 2 Archer Street, London W1V 7HE.

Fabulous Fraulein

I am an occasional buyer of your magazine; if I feel in need of excitement, then yours is the magazine I buy. As a photographer I appreciate the brightness and clarity of the close-ups. You can almost taste the juices of the classy girls who appear in your mag.

The main reason I am writing to you, though, is that fabulous fraulein Stefanie who appeared in Vol 17 No 10. This dirty Deutscher is the most shaggable beauty who has ever graced your pages. That fantastic mane of hair, the perfectly proportioned tits and her long, deep gash that looks as if it has a mind of its own, begging for a big stiff prick to sink deep into it, are all truly beautiful.

I am looking at her set as I write this, and her sexy eyes seem to be saying: "Get that beautiful prick of yours and plunge it into my sopping hole. I want you." Stefanie's is the most convincingly sexy photoset I have ever seen for a long time. I'd love to see her in leather and jack boots, wielding a whip and ordering me to lick her out.

I will be buying your mag regularly from now on, in the hope of seeing Stefanie again, and of course the fantastic Andrea. Maybe if you can't get Stefanie to act out the above fantasy, then Andrea might oblige. – *Ken, Scotland*

Stock Room Stick-Up

I work as a senior buyer with a large City company. Amongst the items I purchase is stationery. Our stationery supplier does very well out of our business, and I do very nicely thank you with their sales rep, Hazel.

About once a month Hazel visits me to check our stationery requirements. The 18-year-old, auburn-haired miss dressed in her demure black suit and white blouse knows just what *my* requirements are. Her last visit was particularly memorable. Once in the stationery cupboard I locked the door, and Hazel bent over to check if we needed any more memo pads. I knew what I needed – a sniff of Hazel's knickers.

So it was up with her skirt and down with her skimpy black panties. I held them to my nose and inhaled their great smell of female, and couldn't I detect trails of cream in the gusset? Hazel's such a dirty

Daa dada DAAA da da DAA DAA daa*oo$xwvzff?@ . . . Well, I don't fucking know the theme tune to *The Twilight Zone*, do I? But I do know that there are always some strange and exciting happenings there in the middle of the night, even if it *is* on well past my bedtime.**

And you can always be sure to find a few nice juicy arses in the twilight zone as well. A bit like this beauty here, I reckon. It's well after my time for lights out. – *Billy Buttock*♣

TOP TITS

I felt a right tit the other day. You know how it is when you make a complete twat of yourself. There I was, trousers down, her blouse off, pecker at the ready, and would Sir William perform on cue? Not a chance, my sons. One look at my new bird's saggy boobs and he shrivelled up like a fried earthworm. It happens to the best of us.

But as I said, I felt a right tit the other day. Happily enough, this time it was the right tit pictured here. Just the right size for my hand, and Sir William found that cavernous crevasse very much to his liking too. He was soon worming his way in there like he'd never wormed for years.

Guess which bird got the worm? It happens to the best of us. – *Gary Garbonza*♣

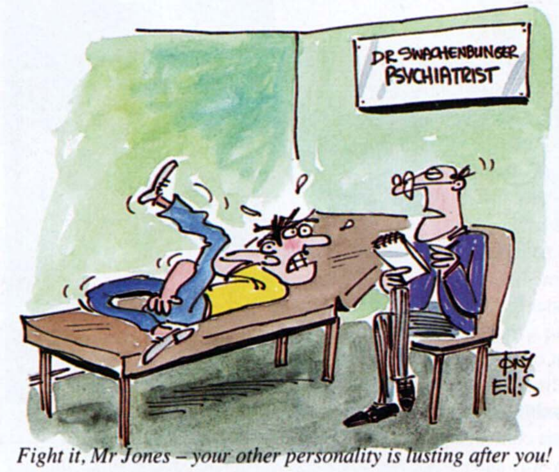
divorced. Sue is extremely attractive, and always dresses very well and pays a lot of attention to her make up and fashion accessories. I have always found her very sexy, although she is never blatant.

Every time she comes to the house I find myself mentally undressing her, wondering what sort of underwear she wears, and whether she wears stockings or tights. Her skirts are often short, but she always sits so correctly that I had never managed yet to glimpse her upper thighs that might give me a clue. When she talks I am often mesmerised by her luscious lips, shiny with lipstick, and I imagined what it would be like if those lips surrounded my prick.

Last week my wife was due to babysit for Sue, but she went down with a cold so I went instead. When Sue had gone out and the kids were well tucked up in bed my thoughts turned to Sue and I started feeling really horny. It was a golden opportunity, I thought, to find out exactly what underwear she really *does* wear. So I crept into her bedroom and to my delight I found a complete chest drawer overflowing with a froth of expensive lingerie.

I could smell her perfume on her underwear. I was beginning to feel really turned-on by this time and I just had to release my throbbing prick from my restricting pants. I picked up a pair of Sue's silk knickers and, wrapping the cool, smooth material around my prick, began to wank. I was in heaven, but I just had to get more, so I stripped off completely and I put on a complete set of lingerie which consisted of a camisole top, French knickers, suspenders and seamed stockings, and a short petticoat – all made from black silk.

I lay back on Sue's bed and began rubbing my prick, which was buried under two layers of smooth silk. By this time my fantasies were running away with me. I could just imagine Sue strutting her stuff with me, wearing her sexy underwear, set off with a pair of very high heels. I imagined that I was reduced to a quivering wreck who had to beg to Sue to be relieved.



Fight it, Mr Jones – your other personality is lusting after you!

In fact, I got so carried away with my fantasy that I started talking as if Sue was really there. ''Oh Sue, please let me come all over your lovely knickers,'' I was saying. ''I'd do anything for you, and I mean anything. Oh please, tell me what you want from me – I'd do anything to please you, but please let me come.''

This was exactly how I was feeling by this time. I was absolutely desperate. While I was getting so carried away, however, Sue had come back early and I hadn't heard her come in. She had been listening to my fantasies outside the bedroom door. She now

MOTORVATION

*Why did Mike Smith's helicopter crash? Because he switched the fan off to stop it messing up his hair. Sqn Ldr **John Masham** delves deeper into the romance of Man's ancient quest to fly.*

Ever since the dawn of Time, Man has wanted to fly like the birds. Why? I'll tell you why; because flying the other way – in jumbos – is too ghastly for words. Neanderthal Man may have scraped his knuckles on the floor when he walked but he wasn't a total idiot. He realised that unless he learned pretty damned quickly to flap his arms up and down, he'd have to spend a fair proportion of the next five million years watching appalling B-movies while an army of slaggy hostesses spilt hot tea in his lap all the way to Corfu and back.

Sadly, however, all these early attempts at arm flapping failed miserably. Norris Neanderthal fell splat on the ground, which gave the Wright brothers the chance to invent the flying machine: international air travel joined *Neighbours*, parking meters and Derek Jameson as the 20th century phenomena we most hate but have to suffer all the same. Even if you only board the big silver bird twice a year to get away for a fortnight's sun, sea, sand, sex and skin melanoma, you must be aware of the traumas and troubles which invariably accompany the seemingly simple act of sitting in a 500 mile-an-hour cigar tube 36,000 feet above Bognor.

The truth is that compared to reality, those air disaster movies have nothing to offer. The perils of glue-sniffing air traffic controllers, panicking pregnant nuns, trigger-happy Libyans and a cast of a thousand ninth-rate actors are child's play when compared to, say, three hours spent sitting alongside a family from Swindon in the departure lounge at Gatwick.

Were anyone brave enough to make *Airport 89*, it would tell a far grimmer tale. A story of everyday folk – you, for example – leaving the departure lounge when they've eventually tracked down an aircraft, walking half a mile to get to it (when will they start building airports near the runways?), and climbing on board only to find you're sitting with the Swindon mob all the way to a small Greek island with a name that sounds like a cross between a horse barfing and a disease you get from sitting on dodgy loo seats.

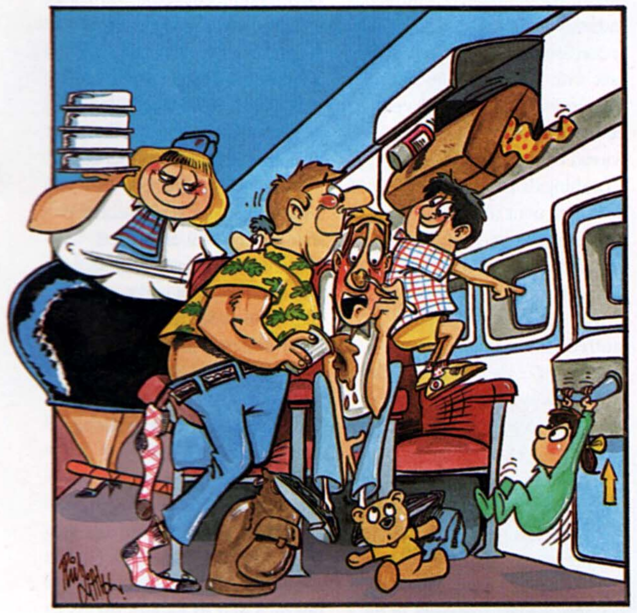
You generously give up your window seat to the youngest of the Swindon hooligans, only to find your new neighbour is a fat and flatulent shoe salesman who insists on taking up half of your seat, three quarters of your attention, and the buckle from your seatbelt. A stiff libation is obviously called for.

Eventually a member of the cabin crew arrives to take your order. It's not the sexy one with the see-through blouse who modelled the lifejacket earlier; rather it is Gerald the *Come Dancing* Reject. Having used up all the ice by Row 7, he apologises and deposits a warm vodka and a tiny foil bag containing two and a half peanuts on the little tippy table thoughtfully provided for your convenience by Bastard Air.

The nuts and vodka sit still for a second or two before leaping into your lap when the git in front presses the recline button on her arm rest. As the duty free seeps through to your boxers you'll appreciate the benefits of skipping the ice. And being a white spirit of course, it'll evaporate quickly, leaving no stain. The stain will come later when Gerald drops the first of several hot cuppas in your direction.

By around 22,000 feet the first officer will tell you to look to your left where, if that bloody kid will get his head out of the way, you might just catch a glimpse of an Alp. In fact this is a clever ruse, designed to take your mind off the pre-packed, pre-chewed miniature meal substitute you've just been handed by the witch with the mud-green eyeshadow and the elephant-bearing hips.

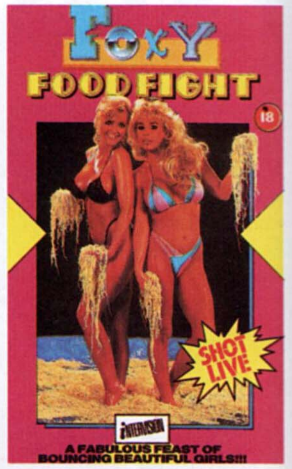
As the Captain starts his descent (though why he does it when all he can do down there is circle the airfield for a further hour is anyone's guess), it's worth considering whether this is progress. £350 buys you the discomfort of a bus, the camaraderie of Christmas shoppers, and food fit for farm animals. The Wright brothers' first flight lasted about half a minute – seeing what resulted, it's not hard to see why they came down so quickly. I'm off to try a bit more arm-flapping.♣



TAPED!

*Resident philosopher **Allan Bryce** ponders such deep and meaningful questions as why people wrestle with spaghetti and what gives a rise to your quivering percy. Just who employs this man, anyway?*

Was it Plato, or maybe that great philosopher of our time, James Greaves, who once said: ''Life is a funny old game.'' I mean, have you ever wondered why it is that it's always the last piece of a jigsaw puzzle that's missing? Or how come that whenever you're trying to find your way somewhere, the place you want to visit is always located in the crease of the map? And perhaps even more bafflingly, how *does* Ted Rogers do that trick with his fingers on *3-2-1*?



Still, in my view there are some things Man is better off not knowing (how to hoover the lounge being one of them). When life gets on top of you, the best thing to do is settle down in front of a few dirty videos and have a damn good hand shandy, leaving the heavy thinking to intellectuals like Greavsie.

Right, now that we've got the Bertrand Russell stuff out of the way let's get straight down to it. First out of the starting gate this month are four titles from a new company called Intervision which are guaranteed to put a smile on your face and a crease in your Chinos. For a kick off there's **Foxy Foodfight**, a gastronomic gonad-grabber of the first order which opens with a selection of sexy sirens parading back and forth while the American audience hoots and hollers like somebody just told them they were making a laugh track for *The Cosby Show*. They are behaving this way because there's a guy holding up a sign saying ''Clap'' (and they all want to get out before they catch it).

The festivities commence

shortly thereafter, with the girls dressing up as hamburgers and hot dogs (seriously) and coming on to messily tussle with each other in a series of appetising three-course bouts. We start with Ginger and Renee tossing the salad (you can participate in this one at home if you have a few radishes, a cos lettuce and a handy hanky). Then join Peggy the Pirate (so-named because she's got a liking for semen) as she slugs it out with Miss America in a bucketful of spaghetti and red sauce – mamma mia! And if this leaves you holding on to your noodles and wondering what to do with a fistful of whipped cream, try spreading it across Bedroom Barbie and Wanton Wanda, who wobble around in a tureen of fruit salad and try to shove oranges in each other's bras. The Man from Del Monte he say, ''What the fuck is going on here?!''

An even stickier time awaits the combatants in **Gellorama**, which is not a super slick current affairs programme, but 60 minutes of busty birds battling it out in a huge tub of jelly. A voluptuous Mae West lookalike comperes the show and introduces such renowned head-twisters as Cunning Candy, Bronco Brandy and Broadway Baby who bump and grind their way into wrestling's hall of fame. The makers call it a sporting event beyond compare. I think they may be exaggerating a little, but I'd go three falls and a submission with Cunning Candy any day of the week.

Now I'm all for feminism. After all, it gives girls something to do in their spare time. But there are some things better left to men, like getting into a ring and knocking hell out of each other. If you don't believe me take a look at **Foxy Boxing**, which must be the least convincing tape to come my way since *Rock Hudson's Guide To Safer Sex*. Shot ''live and uncensored'' at the ''world famous'' Fender's Club on Long Beach, this one showcases the pugilistic posing of Miss California Bikini, Robin Nichol, as well as former porn queen Traci Lords and Marilyn the blonde bombshell. A better bet for wrist exercise than *Sportsnight With Coleman*.

And the same thing could be said of the last of Intervision's packed programmes: **Co-Ed Oil Wrestling**, which should lubricate your lolly in a way that the sight of Mick McManus flooring Giant Haystacks never did.

A familiar pair . . .

In one corner: Big John (so called because of his huge plonker, which looks like Kojak in a roll-necked sweater), and in the other: sexy sluggers Robin and Teesha, who the referee informs us will be attempting to wrestle their dynamic hunk opponent to a standstill by grabbing hold of his outsize gonads and twisting. When they succeed in doing so the audience go through the roof, followed by poor old Big John, who should really have worn a box.

Talking of dynamic hunks brings us quite naturally to Robin Askwith (*Eh? – Ed*), the gawping, long-haired star of the popular *Confessions* series who got his hands on more crumpet than Joe Lyons back in the halcyon days when it was perfectly acceptable to wear flares and kipper ties. This dedicated follower of fashion can be seen strutting his stuff on video this month with the budget-priced release of **Confessions of a Window Cleaner, Confessions of a Driving Instructor** and **Confessions of a Pop Performer**, films which may not exactly be classics of British comedy but do have a certain nostalgia value.

Based on a series of bestselling novels by Timothy Lea, each of the movies concerns itself with the slapstick adventures of young Timmy (Askwith) and his wide boy brother-in-law Sid Nogget

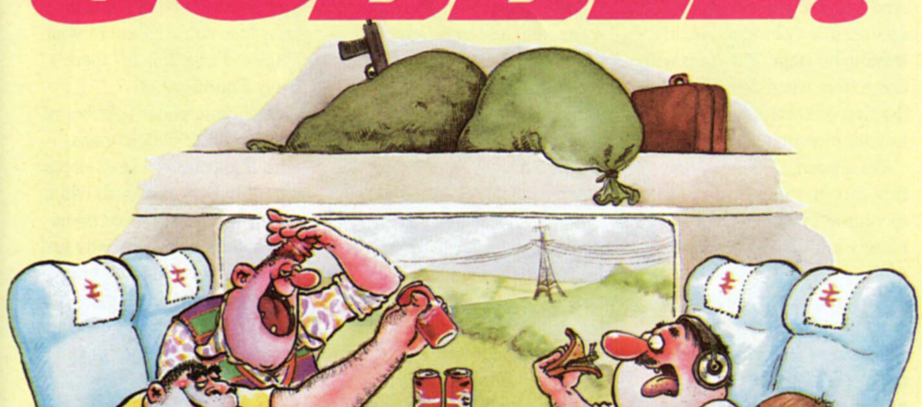
GOBBLE!



Every so often experts on *haute cuisine* such as myself gather to sample exciting new dishes from across the globe and stuff their guts with foreign crap for virtually nothing. One such get-together was the ''Great Sandwiches of Belgium'' bash held recently at the National Exhibition Warehouse, that giant portakabin complex just ten miles from Birmingham, and over 100 from civilisation. Unfortunately, as I'd forgotten to put the cheap Austrian white in the radiator, my trusty Lada Coca-Cola GTi wouldn't start, so I was forced to travel up there by British Snail. This gave me a great opportunity to sample the range of food now available to the hungry traveller too mean to buy his own fucking motor.

And what a revelation! The days of the stale and curling sandwich have disappeared. Instead you can enjoy a vast range of stale and curling food before you even get on the train. I decided to start at the *Isambard Kingdom Brunel Buffet Bar and Snackery* where I plumped for a Farmer's Breakfast including a Home-Made Bacon Roll served Country-Style with Lashings of Piping Hot Tea (£3.95). The falling green pound has obviously hit the agricultural industry harder than I thought. It consisted of a limp bun in a box with less pork than a barmitzvah; and for ''served country-style'' read micro-waved on a paper plate. ''Lashings'' has also been devalued over the years. It's now equal to one polystyrene cup and a special British Rail insult if you ask for more.

Still peckish, I spotted a stuffed croissant at *La Petite Boulevard Cafe de Euston*. For £2.50, I was handed a piece of turd-shaped pastry which exploded on impact, spraying my Van Heusen with melted chocolate. Looking like a cow had wiped its arse on me, I sought sanctuary at *Grandma Nell's Cookie Bakehouse*. Grandma Nell turned out to be a Y.O.P. scheme school-leaver in a gingham-look nylon dress looking like an acne-ridden reject from *Seven Brides for Seven Brothers*. I asked for two pounds of Granny's Louisiana Choc 'n' Orange Brownies (£1.50 per lb) and got a sample of moonrock that had burnt on re-entry. On the other hand, my large Guano tropical pineapple and grapefruit drink (99p) made up for it. It consisted of a gallon of green liquid in a squashy cardboard bucket with enough ice to rebuild Greenland's coastline.

After joining a queue that lapped Smiths twice and was abandoned as soon as the train was called, I eventually found a seat opposite two squaddies building a realistic model of Windsor Castle out of McEwans cans. It was either them or the boil-embossed bastard with skin as smooth as an anchovy pizza and a smile like a burnt-out fuse box. I could tell he was the type that looked on train journeys as a way of making friends. Trapping somebody opposite him for 120 miles was probably the only way he ever met anyone. The best way to fight them is to carry a personal C.D. (or Cunt Deterrent). No need to buy a Walkman, just put on a pair of £3.50

FORT SEX USA

Bugger Disneyworld. Head for Fort Lauderdale, Florida this year instead, and get yourself screwed senseless, says **Tim Scott.**

Everyone's heading for Florida this year. The travel agents have a lot of explanations for this. It's hot and sunny all year round, they say. There's Disneyworld and Seaworld, great fun for all the family. There's the Kennedy Space Center, fascinating for anyone with a scientific bent. And the strong pound makes it relatively cheap.

We also have an explanation for it. Florida is stuffed with crumpet.

Well, OK – not all of it. Many of the Florida resorts have about as much crumpet as Bognor Regis: like the English South Coast, much of Fla. is used as a retirement home by rich, old women. But there's one place where, if you don't get laid, you're lining up for the title of unluckiest man of the year. It's called Fort Lauderdale, and as well as having plenty of topless bars, it's the place where every American student goes in the spring to get a suntan, get legless and get laid.

Head down the Interstate 95 from Orlando, and Fort Lauderdale rolls up after a couple of hours. The first place to cruise in your rented car (get one: they're cheap and essential) is Atlantic Avenue. This long strip follows the beach, and the beach is where the action is.

Traditionally, it's during the Spring Break – four weeks around the end of March and the beginning of April – that this beach goes wacko, with literally thousands of college girls out for a laugh and a lay. But in recent years the place has been pretty wild from February right through to May. Apparently, the colleges are *not* happy!

Despite the fact there are swinging and topless clubs just a stone's threw from the beach, topless sunbathing is illegal in Florida. But before you moan, chew on this: the result of the law is that every girl in Fort Lauderdale is having an unofficial competition to see how tiny they can get their bikinis. It's fun to watch, believe me.

Most of the girls have come with a couple of mates in search of booze and parties. Chris, 19, from Arizona, told us why she'd come:

"At home, my parents are always checking on what I'm doing. A lot of American parents are really uptight; they'll never let their kids even go out with guys. It's that whole middle-class respectability thing.

"When you get to Fort Lauderdale you can relax and find the kicks you never get at home. I met a guy a couple of days ago. I've been going with him, and last night we got into this party and another guy tried to pick me up. I ended up in bed with both of them! We did everything, you know?

"I don't think I'd like to do this all the time, but once a year it's like a dream. You can do everything you ever fantasised about, and next week it's back to normal life."

Chris takes us over to the **Candy Store**, one of the beach clubs, where she enters the daily bikini contest. Several places organise regular hot pool parties with plenty of beer, action, sexy girls and contests.

"This is kind of a combination of pleasure and business," says Chris. "It's nice to have all the guys eyeing up every bit of you when you're in the contest. You meet some good looking guys there. And I do have the chance of winning $100 if I win, which means I can stay another couple of days before my money runs out!"

A few minutes from the Candy Store is **Summers**, another hugely popular beach club. What bikinis are at one, wet t-shirts are at the other – though the management admit that if a girl wants to win the $175 first pirze, she's going to have to get the whole t-shirt off. That prize pulls them in, and after half an hour you've seen so many tits your eyes are bouncing about.

And the nicest thing is – it's all free! Places like Summers and the Candy Store don't charge admission: they know those tits are bringing in thirsty customers. And after I staggered out with eight Budweisers inside me, I could see their reasoning.

Even if you miss the spring student sex binge, there are plenty of all-year-round swinging clubs to take in. Strategically placed along the Federal Highway you'll find three of the best – **Pure Platinum**, **Solid Gold** and **Dollhouse**.

Pure Platinum is one of the biggest clubs I've ever seen, and pretty exclusive to boot. It seems like tons of girls are dancing all over the place, individually as well as in professionally arranged shows. The place even has its own make-up artist and hair stylist to keep the girls looking up to par.

At the back of the place is a separate room where you can become part of the entertainment yourself. Customers volunteer for oil-wrestling bouts with the strippers, with plenty of betting going on all around. These girls get in a lot of practice; chances are, you'll lose!

Heading further south, follow the Federal Highway until it changes in Sunrise Boulevard. At 1745 East, you'll find the next big watering hole – **The Booby Trap**. It may not be as big as Pure Platinum, but it's an intimate, sexy place with around 15 girls doing their best to please. There's more oil-wrestling here – the Yanks seem very big on this thing – and your fight can be videotaped if you fancy an offbeat souvenir of Florida.

Away from the topless bars, and the weird "Tanning clubs" – they offer a lot more than a tan, I can tell you – Fort Lauderdale's packed out with swinging clubs. This might not be your scene – it isn't mine, to be honest – but they're worth seeing. **Deenie's Hideaway** has a good reputation, but I went for **Rendezvouz** first. Men, women and couples got there to eat, drink, talk, dance, and find a fuck. They're not licensed, so bring your own booze; you'll need it as the temperature rises. In the early hours you'll find couples doing everything short of screwing in the middle of the dance floor – full sex isn't allowed on the premises. You'll be invited to watch – and if you're far gone enough, you might even end up taking part . . .

Friends, on East Sample Road, has a rougher but more varied feel to it. Inside I met strippers, pool sharks, truck drivers and single girls and men out for a pickup. It's obviously an explosive mixture: while I was there a couple of girls started wanking each other in the middle of the dance floor. No-one seemed shocked by it: "You'll see a lot of things like that. That's why girls come here," the trucker at the bar told me.

You can only take Fort Lauderdale for so long. There's so much sex going on there, and it's so easy to go out and grab your slice, that a week in the place is exhausting. I stayed there for two, and I think I strained something.

So what are you waiting for? All that American crumpet's sitting on the beach looking round for a guy to screw senseless. And those American girls just *lurve* an English accent. Believe me, I know . . . ♣

steamy little number set in one of those women's slammers where the screws are all called Miguel and don't behave with a great deal of decorum. The prison in question is way down deep in the jungles of South America, and even though the place is only guarded by a couple of tame looking Alsatians and some swarthy looking Mexicans armed with plastic machine guns, the escape rate is fairly low. The reason for this soon becomes apparent: there's so much rampant sex going on inside that nobody wants to miss out by doing a runner.

All the expected ingredients are here: lesbian shower room scenes where the girls pose artfully and you keep thinking somebody's going to crack the old ''Where's the soap?'' gag (answer: it does, doesn't it . . .); mild muff diving after lights out; a couple of suicides by girls who can no longer stand the pressures of having to remember their lines; and finally a spectacular prison riot in which dark-haired beauty Ajita Wislon leads the irate lasses on a vengeance spree against their tormentors. What more do I need to say, apart from the fact that it makes *Prisoner Cell Block H* look like *Midnight Express.*

And finally, let me finish by warning you not to fly with **The Naughty Stewardesses**. This looks like a brand new release, but it's actually a vintage (1971) softcore sexy from Al Adamson, a director whose films are so appallingly bad that people have been known to walk out on them even when they're playing as in-flight movies. This one offers very little nudity to embroider a coy round of cockpit capers with girls like tall and sultry Jane, magnificent mammaried Margie, black and beautiful Babs, and dirty Debbie. In fact these girls aren't really naughty at all – the only thing they hand out are the duty frees.♣

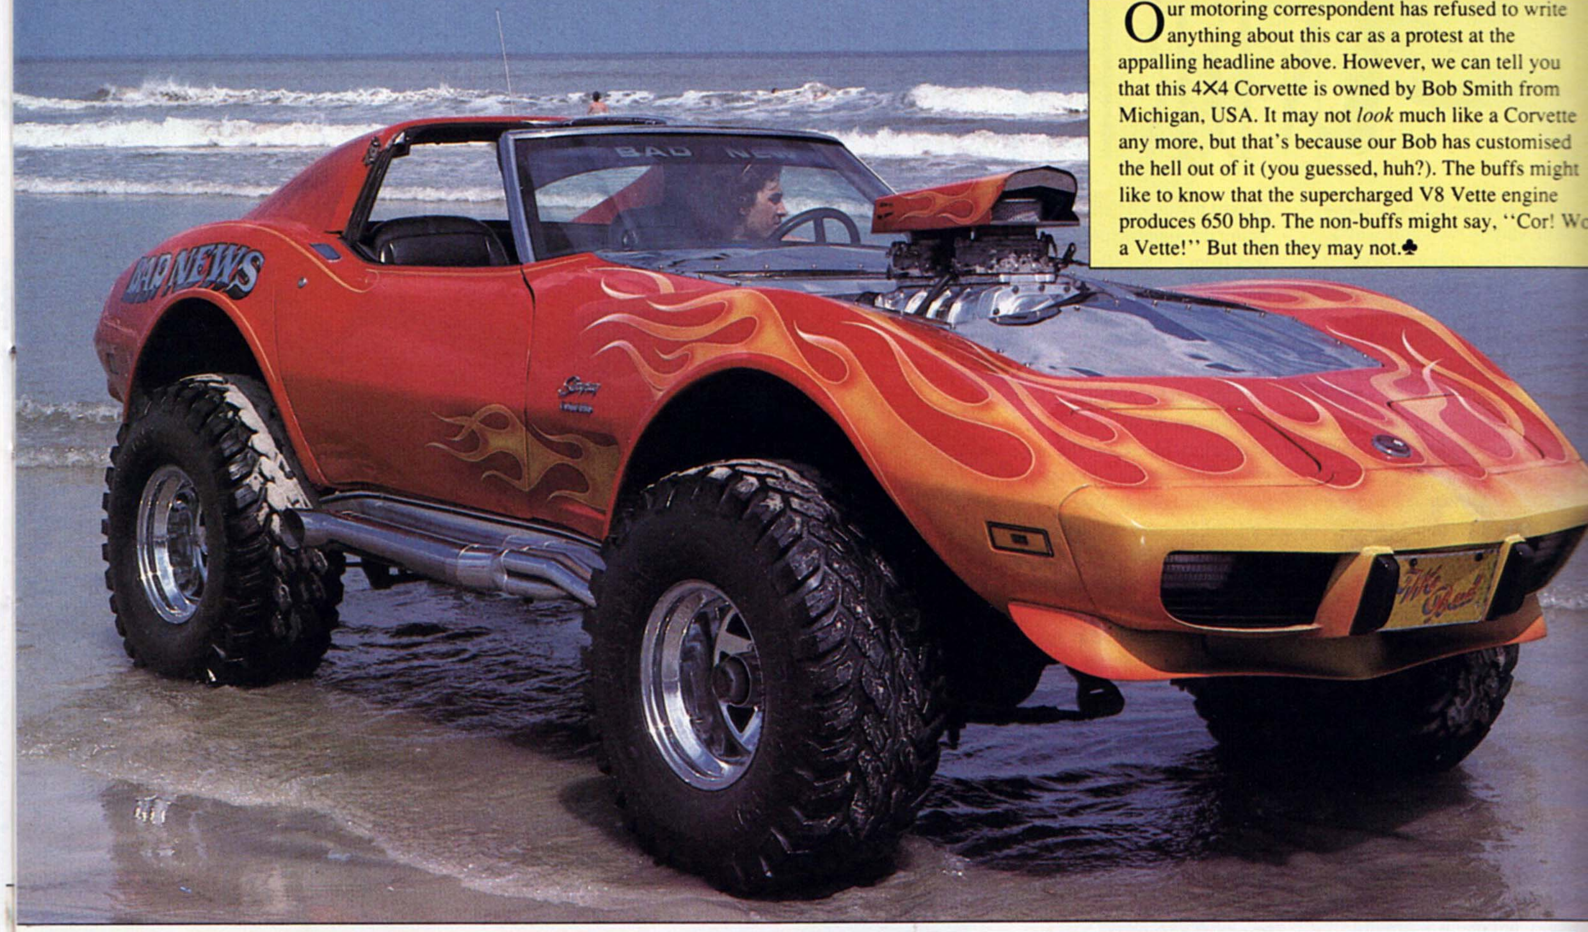
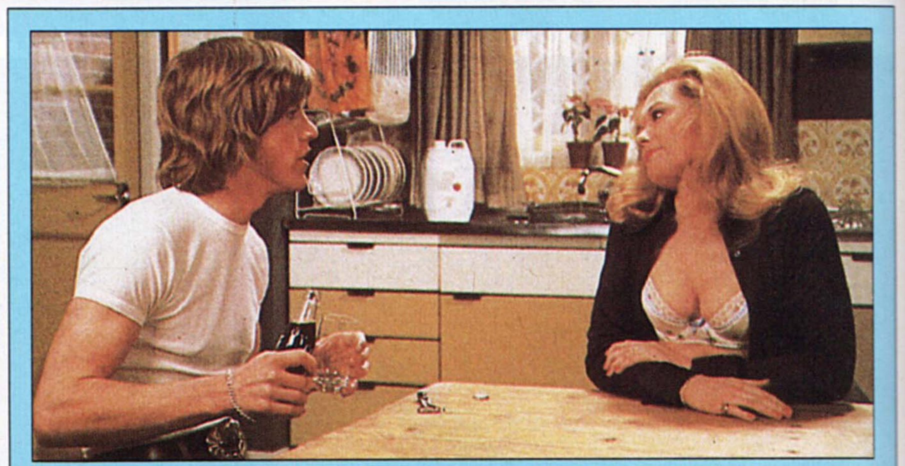
COR WOT A VETTE!



Our motoring correspondent has refused to write anything about this car as a protest at the appalling headline above. However, we can tell you that this 4×4 Corvette is owned by Bob Smith from Michigan, USA. It may not *look* much like a Corvette any more, but that's because our Bob has customised the hell out of it (you guessed, huh?). The buffs might like to know that the supercharged V8 Vette engine produces 650 bhp. The non-buffs might say, ''Cor! Wot a Vette!'' But then they may not.♣



CARRY ON CREAMING

''If you could see what I can see when I'm cleaning windows.'' Those of you with dirty minds will know that sentiment not from the films made by George Formby and that bloody ukelele, but instead from that naughty Seventies classic, *Confessions of a Window Cleaner.* Thanks to the goodness of those lovely lads at Columbia Pictures who love giving us pressies, we've got our hands on copies of several of the *Confessions* series, namely the *Pop Performer, Window Cleaner* and *Driving Instructor.*

To win one, just take a look at this picture. If you can tear your gaze away from that flared haircut for a moment, you've got to think of something suitably smutty and witty to caption it. walked slowly into the bedroom, taking me completely by surprise.

Instead of being angry though, she had a broad grin on her face. "It seems we are a little excited, doesn't it? Well I'll have to see what I can do to get you even more excited," she said.

It had turned out that her boyfriend, who she was due to meet, had had to cry off and had therefore not been able to give Sue what she had been expecting. Hence the reason why she was home early!

"Now then Steve," she said, "you might be in for a little reward if you perform for me." At this point she undid her blouse and her skirt fell to the floor. Her legs were unbelievably long and looked lovely in sheer stockings. Her suspenders and knickers were white.

"You must call me mistress and do exactly as I say."

I was completely bemused, so I just said, "Yes, mistress."

Sue handed me a pot of moisturising cream and told me to massage her tits while she lay on the bed. I knelt beside her as I smoothed the cream over her lovely round tits. Her nipples soon became erect as I worked my hands over them and Sue's hand went inside her white silky briefs to caress and stimulate her clitoris.

I was obviously getting very aroused again and my prick was bulging through the material of the knickers and petticoat I was still wearing. I was desperate to come and I begged her to let me, but she told me that I still had another hour of this.

She then told me to take her knickers off and eat her pussy, which I duly did. As my tongue moved around her clit I delighted in caressing the legs clad in sheer stockings that I had dreamt about so often.

I eventually brought Sue to a climax with my tongue. While she rested on the bed I lay down beside her and removed my own knickers and lifted my petticoat and started wanking furiously. Sue told me to stop what I was doing and I instantly obeyed. "You haven't begged for permission, have you?" she said.

So I begged for permission to make myself come, not believing what would happen next. She said it would be such a waste of some lovely come if I just let it spurt on to my petticoat, at which point she took my tool in her mouth and set to work on it.

She tantalized me for about ten minutes, not quite letting me come, but I was in ecstasy all this time as I held Sue's white knickers to my face and drank in their lovely perfume.

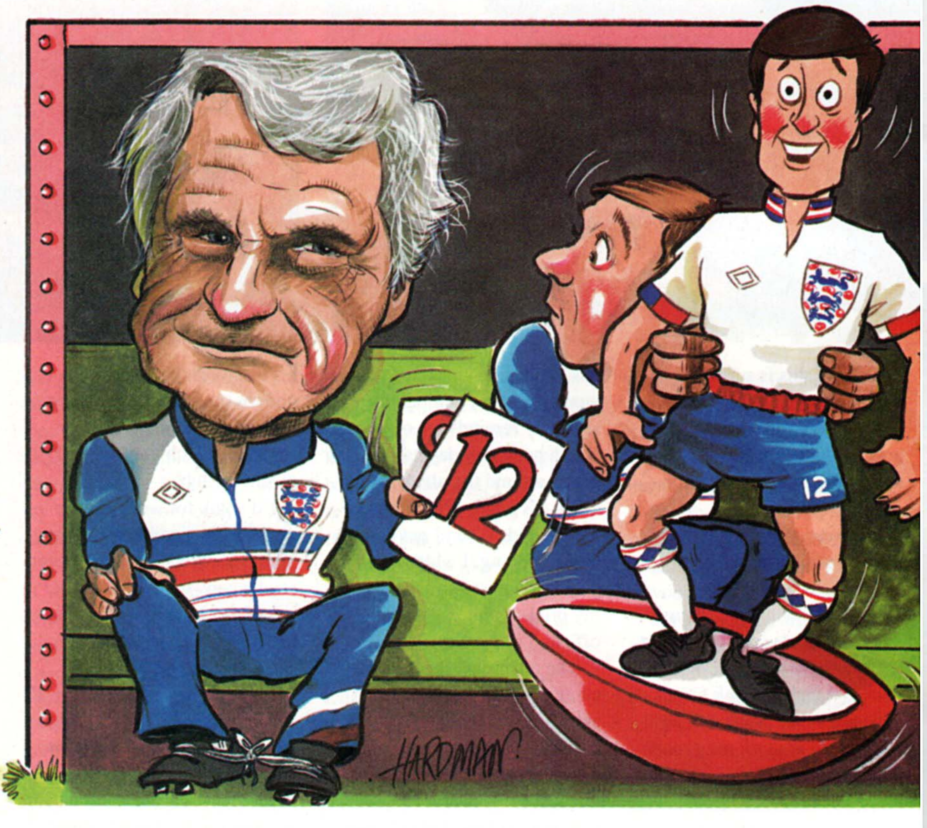
IT'S A FUNNY OL' GAME!

Robson must go! Vinny Jones for the England manager's job! Or something like that. ***Bob Holmes,*** *the man with the biggest sentences in football, kicks off our latest attempt at a decent sports column.*

In the England dressing room, where they know a thing or two about such matters, it is said that Bobby Robson has trouble in deciding which way to lace up his shoes. As for picking the team? Well, the players are no wiser than the rest of us on what's going on there.

The confusion in the inner sanctum of our national game is several light years away from the Kung Fu approach of Wimbledon FC. Even allowing for Vinny Jones's wholehearted, not to say two-footed, attempts to make football a one-legged man's game, the Plough Lane school of positive spitting could teach Robson a valuable lesson.

The England manager's team talks are noticeably devoid of fire and brimstone. His boring platitudes could not contrast more vividly with Wimbledon's momentous warm-up to their victory at Liverpool two seasons ago. Coming down the players' tunnel, they were contronted by the famous 'This is Anfield' sign that was dreamt up by the late, great Bill Shankly to send shivers through visiting jock-straps. The unsung South Londoners reacted with British phlegm – literally.



OK, son, stick him on – they'll never notice!

Illustration by Paul Hardman

As they filed out beneath the sign, each one of them deposited a quantity of Plough Lane premium spittle on it. This had the effect of not only giving the cleaner a lousy job on Monday morning but providing Kenny Dalglish's men with something to chew over as they strode out seconds later – to lose.

Although the style might not be one to encourage among youngsters, it graphically illustrates the gulf between positive thinking and an inferiority complex. It seems that a complex is just what Robson has decided we need in Albania on March 8th, and back at Wembley on April 26th.

You might have thought that Robson would talk up a game in Albania. After all, they are, by the length of a football pitch, Europe's most backward nation. But true to form, after visiting the place to watch the Swedes play in November, our hapless leader mumbled something to the effect that the Tirana Terrors would take some stopping.

He may have been right – after the dance in the Saudi desert anything is possible except, it appears, the sack for Robson. Indeed, we are indebted to the pig-headedness of his employers for feeling sure he will have survived while our presses are rolling. Further evidence, if any were really necessary, that nice guys get the top jobs in British sport. And we all know how many times they win.

Robson is a helluva nice guy, far too sensitive for the impossible role he has been grappling with for nearly six years. He has become the principal whipping boy in the tabloid circulation war – 'Plonker', 'Desert Prat', 'Go, in the name of Allah, go!' being an unsavoury sample of the headline writers' offerings.

But right now Robson, whose skin is not as thick as he makes out, will be busying himself for what could be his last stand. If the wheels come off in Albania, land of the horse and cart, neither the AA nor the FA will be able to come to the rescue. But does this mean that we, the punters who have been suffering as long as the manager, could be on the threshold of a brave new dawn?

Alas, no. Even if someone up there, whether it is God, Allah, Murdoch or Maxwell, puts Robson out of his misery, the chances of the People's Choice, Brian Clough, being appointed are no higher than those of Alex Higgins becoming Prime Minister. Clough, like Dave Bassett, the former Wimbledon manager and brains behind 'The Big Gob', was always more likely to join the Foreign Legion than the diplomatic corps. He'll never be offered the job.

But these men (like Shankly, who was perhaps the greatest motivator of footballers, fans and a whole city who ever lived) have the ability to get the best out of their teams. England are no great shakes at the moment but we are at least entitled to a leader who can persuade them to be mediocre.

Shankly was, of course, a fanatic who would never set foot in rival Goodison Park unless his beloved Reds were playing there. In fact, he carried this so far that he had his dog trained to relieve itself on Everton's practice ground!

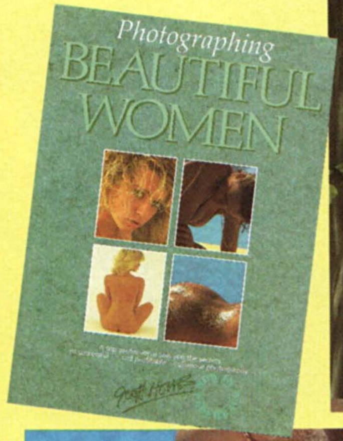
It is a sad commentary on English football that a touch of spittle and drop of dog piss would be manna from heaven right now.♣

Howes that!

We here at Club like looking at gorgeous women with no clothes on. And we know you do too. So when we got our hands on a copy of top glamour photographer Geoff Howes' new book, we just knew you'd all love to take a gander at it yourselves.

It's simply called *Photographing Beautiful Women* (published by Thorsons), and not only does it feature over 150 pages of cock-hardening pics of all those tits and arses that we all love to drool over, but it actually tells you how to go about taking these kind of shots into the bargain.

What more could a bloke ask for? We reckon it's well worth the five pence change you'd get from a tenner to get your hands on one.♣



Tina Gets It Off Her Chest

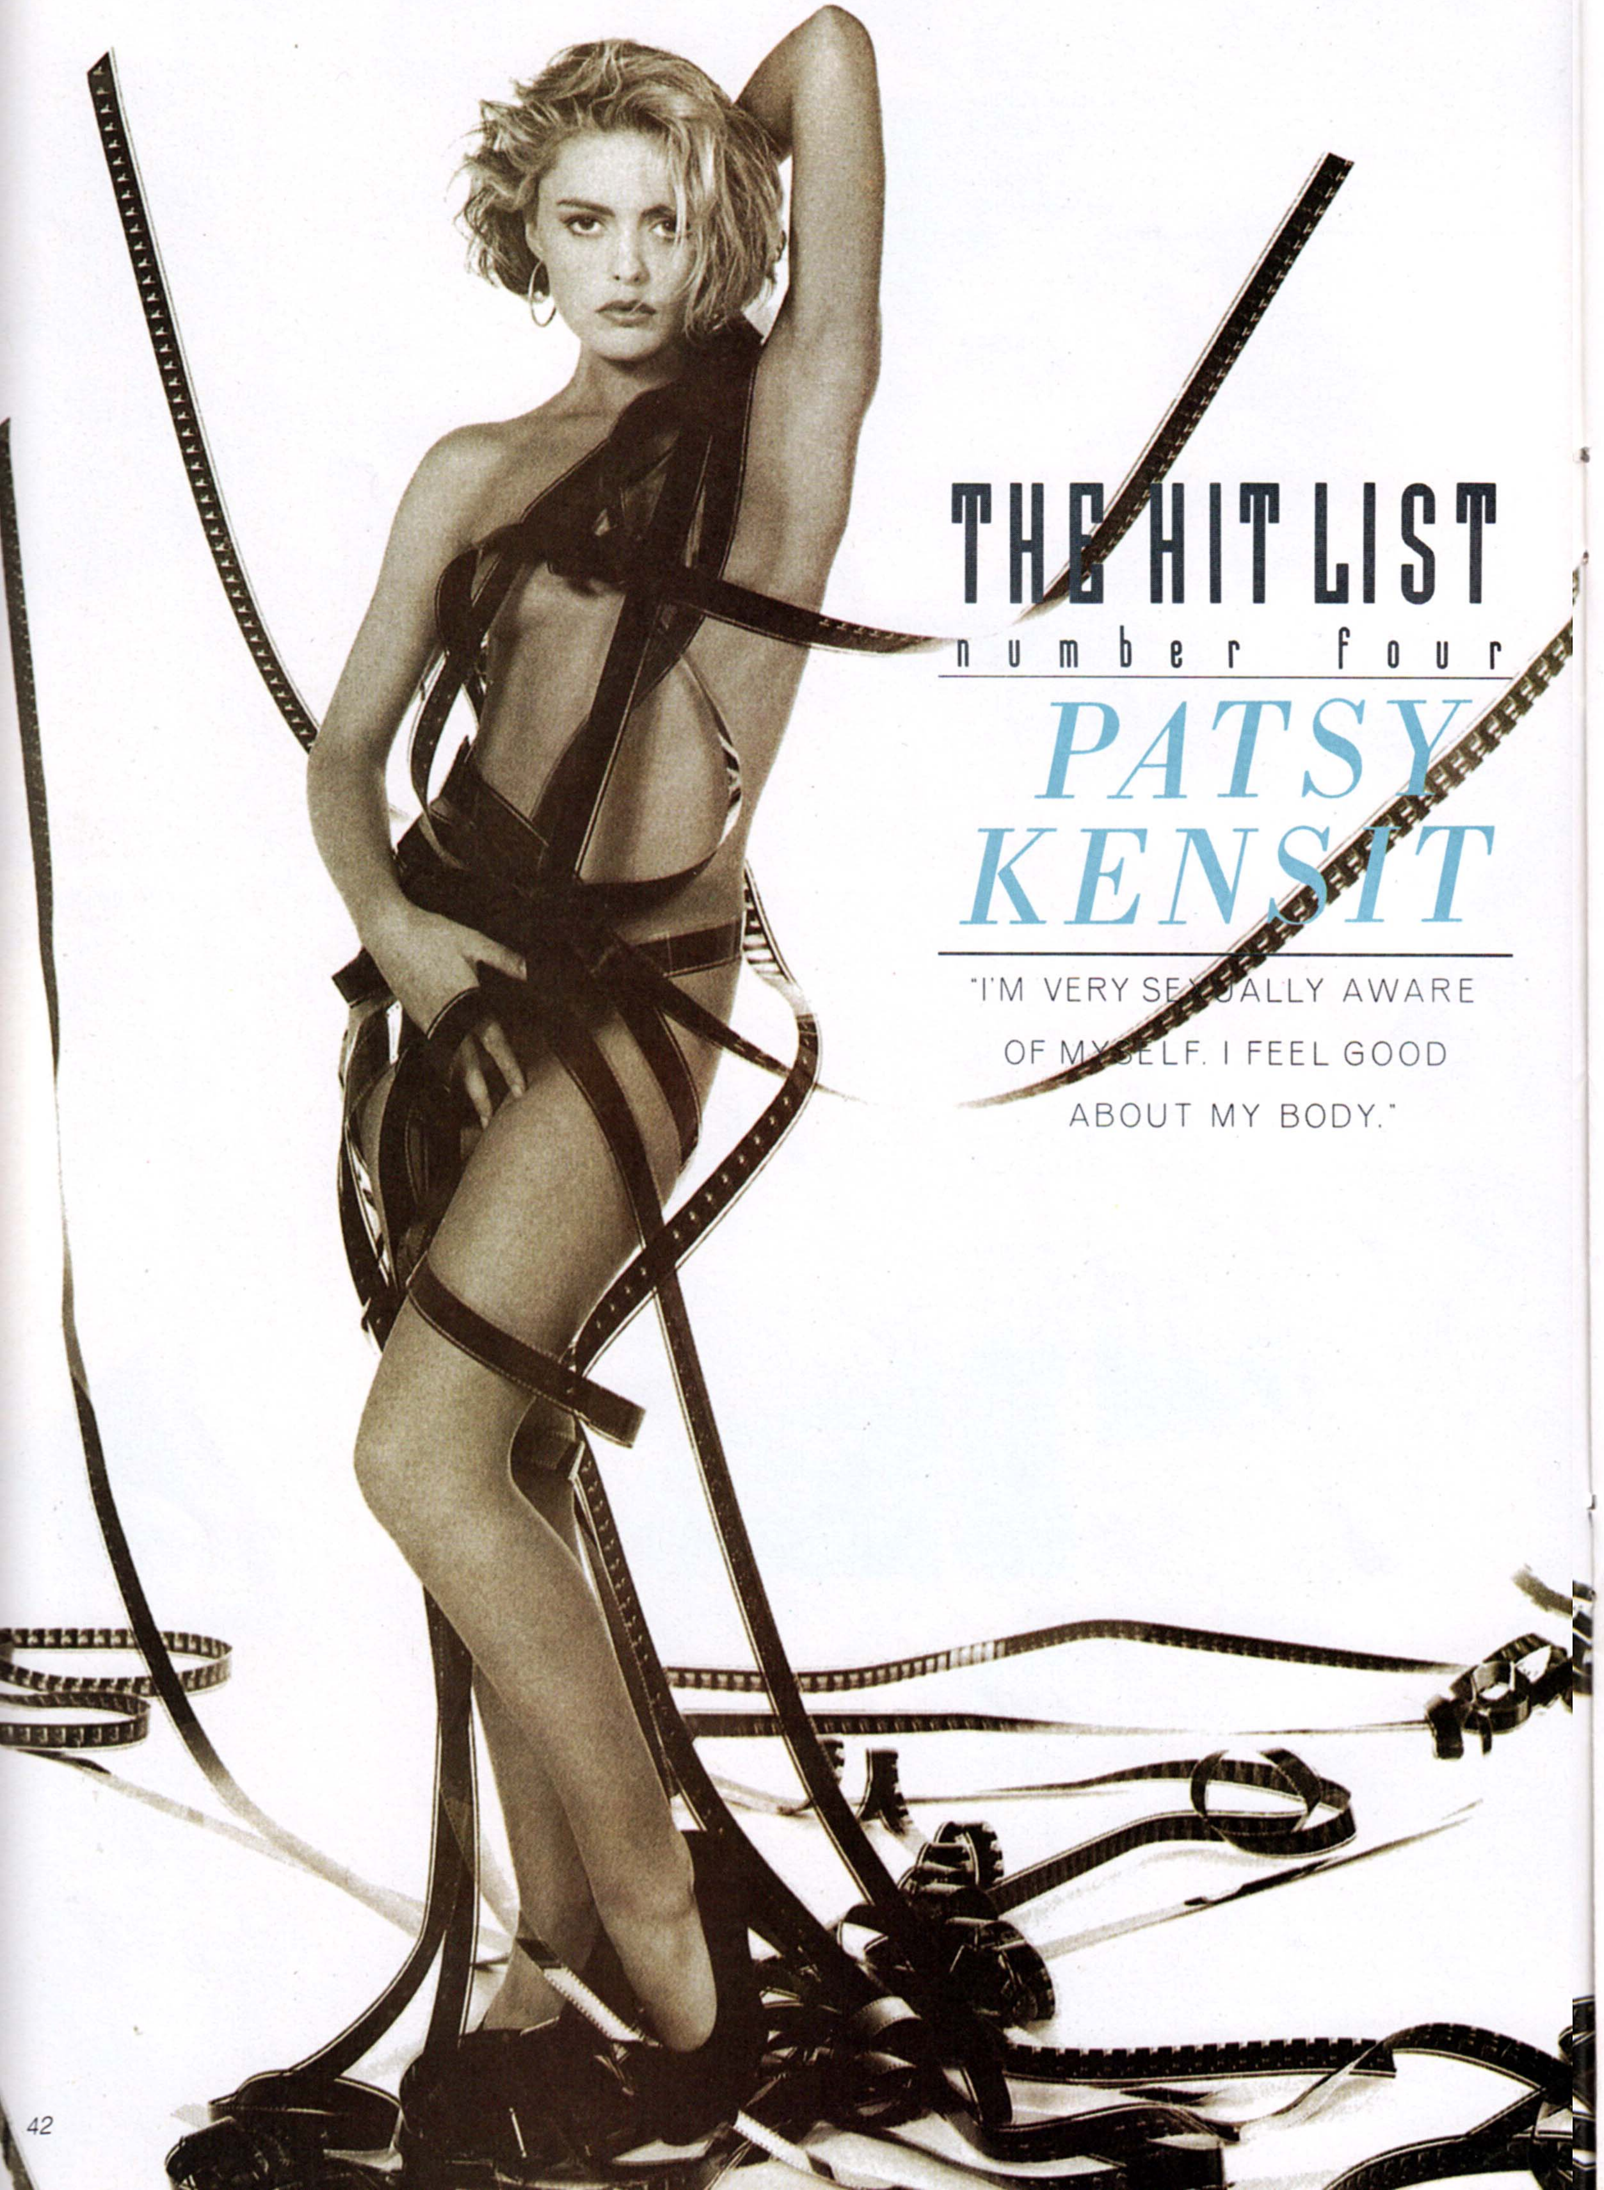
The pundit with tits like tanks has the Treasury in her sights.

By the time you read this column that fool Lawson may have got his marching orders. I bloody well hope so. What he's done to mortgage rates don't bear thinking about, does it? I mean, at 13 per cent on an annuity endowment low-start hypersave, I'm paying £480 a month for my tits – and that's without insurance.

Of course, my tits used to be owned by the council, but when they offered me the freehold on 'em at a knock-down price I couldn't say no, could I? What I didn't know was that old Nigel was going to do the dirty and up the ante. Now the bailiffs could come and demand possession of them at any time. A girl can't keep her mams in her own hands these days.

All this only goes to prove what I've been saying all along. If we had a woman as Chancellor, she'd never let all this happen. So come on, Maggie! Step into the breach! Move into Number 11! We all know it's the only way we'll get you out of Number 10 this side of the year 2000.

Sadly, this is the last column Tina will write for Club. Our current affairs correspondent has ieft in order to devote all her time to "Knighthood Now Or Bust" (KNOB), the campaign to recognise* Bullseye *host Jim Bowen's services to the nation. We wish her well.♣



THE HIT LIST

PATSY KENSIT

"I'M VERY SEXUALLY AWARE OF MYSELF. I FEEL GOOD ABOUT MY BODY."

Patsy Kensit has a habit of getting up people's noses. Right up their noses. She was recently accosted by a guy in a bar who kept telling her she couldn't sing, dance or act. Patsy responded by punching him smack between his nostrils. "He was in tears," said Patsy, "begging me to forgive him."

On the whole though, Patsy's got a growing posse of admirers who are begging for something else. "Hundreds of boys come to our gigs, stand in front of the stage and try to pull me off and rip my clothes off!" she grinned. "What a thrill, seeing 500 guys going absolutely potty for you."

Though the British are only just waking up to her charms, the Continentals are positively crazy for her: "When I was filming in Italy I couldn't get out of the hotel without people trying to mob me." She's not complaining – she's positively wallowing in it. "I'm very sexually aware of myself and feel good about my body. I like to be admired, and appreciated – who doesn't?"

Her growing popularity and continual drive for world domination – "to be internationally famous and be on the cover of every magazine" – has meant that in certain parts of Europe she can't go anywhere without a gorilla in tow.

Last summer she met up with the Pet Shop Boys at the San Remo Pop festival in Italy. "I offered Neil and Chris a lift, but my minder tried to throw them out of the car because he didn't know who they were." Patsy had known who they were and what they were capable of for a long time. It was she who turned on the charm button to get them to write her single *I'm Not Scared*, which managed to break some ground in this country for her and her band, Eighth Wonder.

While the rest of the group claw desperately for a piece of credibility, Patsy's still very conscious of her good looks and their pulling power. "My ambition is to have an enormous effect on people, to be the woman they go to bed dreaming about. I'm already aware of how much I excite people." Indeed, the fuddy duddies at the Beeb nearly pooped in their pinstripes when Ms Kensit appeared on Top Of The Pops. "I was too much for them," she laughed. "It's over 20 years since the mini first appeared and Madonna can wear underwear on stage and get away with it, but – perhaps because I'm so young – people are really taken aback by my short skirts."

She's incredibly philosophical about the whole image: "I just feel sexy and get on with it. I love attention and recognition and there's nothing like the feeling of crowds wanting you." Which is a very provocative attitude for a girl with a strict Catholic upbringing.

She was educated at an all-girl convent school in Twickenham and had, by the age of six, already cut her teeth in the acting world with film appearances alongside Robert Redford in *The Great Gatsby* and Elizabeth Taylor in *The Bluebird*. Then she was the sweet-as-pie girl who advertised frozen peas. But then she always knew she wanted to be famous and wasn't scared of letting people know her intentions. "I intend to be a legend," she once chirped.

Only a couple of years ago she was insistent that she was still a virgin. "The boy who eventually gets me will be very lucky," she said at the time. Now at 20 years old she's married to musician Dan Donavan (son of photographer Terrence) and has had a string of famous boyfriends behind her including Spandau Ballet's manager Steve Dagger and Barry Kamen, brother of Nick. "Barry was my big love for seven or eight months," she says, telling of how she used to follow Barry and his mates down to the gym on a Saturday afternoon to watch them having a workout.

She still squeezes herself into a leotard to keep her pert 5ft 5in frame in trim. "I'm really conscious of my bottom. It's too big. It's the only part of my body I can't see and I keep straining to get a good look at it." Her boobs, on the other hand, she feels, could do with a bit of bolstering: "I'm really flat chested. In fact, I'd love to have a really big chest. I'd love big bosoms."

There's many a man who would refute her criticisms and gladly sell his grandmother for

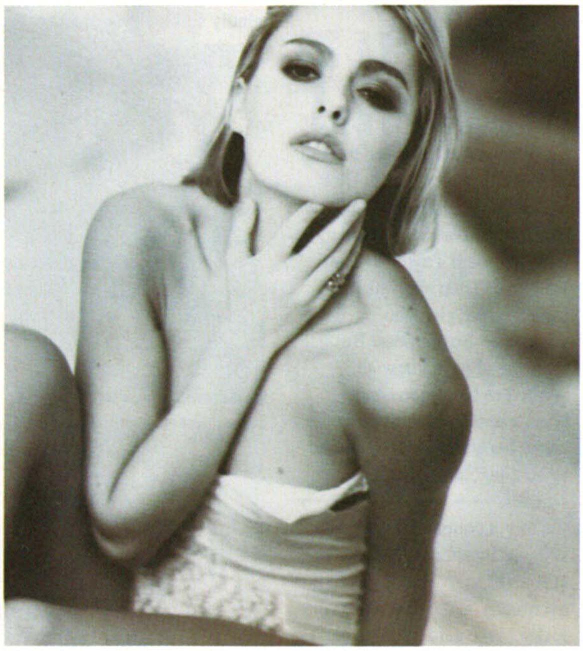
Patsy shows off that famous sex kitten pout. Photos opposite, from Naked London *by Katya Grenfell; this page, Frank Spooner Pictures and People In Pictures*

Patsy on men: "I want to be the woman they go to bed dreaming about."

a glimpse at Miss Kensit with her kit off. She's always hinting at what's on offer (those micro creations she sports don't exactly hide much) and after a row over a recent pop video she declared: "They wouldn't let me have a man's naughty bits in my video, but I'm still going to flash my knickers – when I wear them!"

She managed to keep her knickers on for the role of foxy temptress Crepe Suzette in the film *Absolute Beginners* – but only just. "They wanted me to be nude, but I didn't want to. I didn't feel ready for nudity. I thought it would be much sexier if I wore black, slinky underwear. I like to become the person I'm playing totally, right down to the last intimate detail."

Only recently, German erotic photographer Helmut Newton approached her to do some nude shots for an Italian magazine. "I always said that if I ever did anything remotely nude it would be with him." Newton phoned Patsy several times to try to persuade her to reveal all. The result was stunning, with Patsy wearing little else but a very ripped silk dress and one of her famous sex kitten pouts.



However, this isn't the first time she's stripped off for the camera. She wore very little on the cover of a book called *Naked London*. She'd got little to worry about. By the look of everyone else in the book – media folk and other personalities – she's by far the best looking with her clothes off. However, at the moment she's more concerned with shedding this image of being a bit of a bimbo. "I look like the classic blonde sex kitten and so people expect me to be dumb. It's always dark-haired girls who seem more mysterious and deep, but I've got that too. I've had a wonderful life and I've got a deep personality."

She's matured over the past couple of years: "I don't want to ram it down people's throats any more. So I try to be diplomatic about what I'm doing." Try telling that to the bloke in the bar with the bloody nose.♣

How to have sex with an alien

***Ron Dalek** is here to point you in the right direction.*

Finding your alien

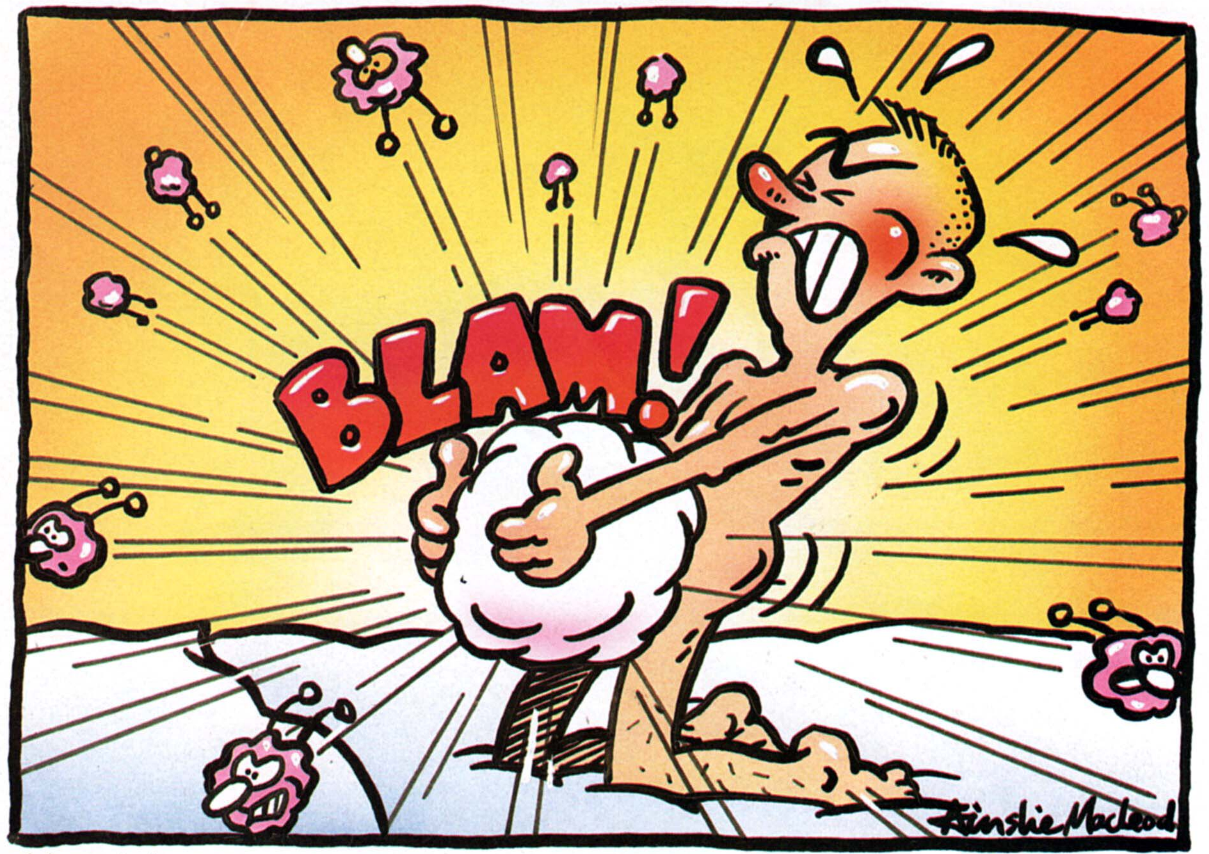
If you want to find a human female to have sex with, you'll generally head for some place where a lot of them congregate – a disco, say, or a pub, or perhaps a Barry Manilow concert if you're desperate. To find a willing alien, you must adopt exactly the opposite strategy. It's well-known that aliens don't like crowds – at least, not human ones – and will only turn up on a date if you're meeting them on Dartmoor, or in the middle of the Nevada desert, or just about anywhere in Wales. (They have, though, been known to visit Barry Manilow concerts. There is, in fact, a theory that Barry Manilow himself is a female alien, but we know this is total rubbish because our libel lawyers told us to say it was.)

It is important to have a good car when you're going to meet a female alien. This is mainly because you've got such a long drive to get to the rendezvous, but also because aliens are very intrigued with human technology and like to play around with it. Be careful not to get too flash, though. If you turn up in a Porsche 928S, you might find the alien fancies it more than you. There's nothing worse than sitting on Dartmoor for hours while your car has orgasms. It also buggers up the suspension.

Chatting up Venusians

There is an established method for chatting up higher beings. The correct pose to strike is one of terrified amazement. That always gets them going. Your first chat-up line is, ''Take me to your leader'' – or, if you're meeting a forceful, independent sort of alien lady, she might say that to you instead.

After this, speech should be kept to a minimum. You might jibber a bit, but that's OK. Even a scream or two is acceptable. Shake and stare wildly; that turns them on. When she says, ''We have been studying you earth creatures for many years,'' it means she fancies you. If she says, ''Your strange and archaic reproductive systems fascinate us,'' you're well in. And if she says, ''We must experiment to gain further knowledge of your species,'' it means she's going to whip you back to be a porn star on Alpha Centurai, and you'll be dead within the week. Nobody said this wasn't risky. Still, it's a good way to go.



What to wear

Kinky clothes are essential for successful sex with aliens. However, the situation is complicated because different aliens find different clothes sexy. Many females from the Eastern part of our galaxy share the same tastes as human females – ie, the more expensive the clothes the better, because it means they can take you for more dosh in the patrimony suit.

However, Denebolans favour the pink lurex posing pouch. (Incidentally, this is often taken as proof that aliens first made contact with the earth through the Ann Summers chain of sex shops. They are the only earth shop to stock pink lurex posing pouches, and Denebolan females are the only people in the universe who fancy anyone wearing them. Everybody else laughs. Try one on the girlfriend tonight if you don't believe me.)

Females from Uranus, who are, by the way, sick of silly puns about their bottoms, find a thick covering of live green slime a turn-on. Mind you, Jimmy Tarbuck is a pinup on Uranus, so what do they know?

If you're not sure where your alien is from, the best bet is to wear a pink lurex posing pouch under a Giorgio Armani suit, and jump in a stagnant pond on your way to the date. That way you'll please everyone.

Foreplay with Martians

The hardest females in the universe to turn on are Martians. They have eight pussies, 16 clitorises, 103 tits and 2,875,094 erogenous zones. These all have to be stimulated at once to get the Martian in the mood for a bit of rumpy pumpy, or ''shagging'' as it is known in their own super-intelligent lingo.

Fortunately the female Martian is similar in size and shape to a raw hamburger, so the best way to turn her on is to roll her in flour and fry gently for five minutes. The only hitch with this is that, since she also looks, smells and tastes like a hamburger, there is a great temptation to eat her rather than have sex with her by the time she is well done.

Please do not eat your Martian. It could cause interstellar thermonuclear war, as well as leading to indigestion and a rightful outcry from the Galactic feminist movement.

How to have oral sex with pure energy beings

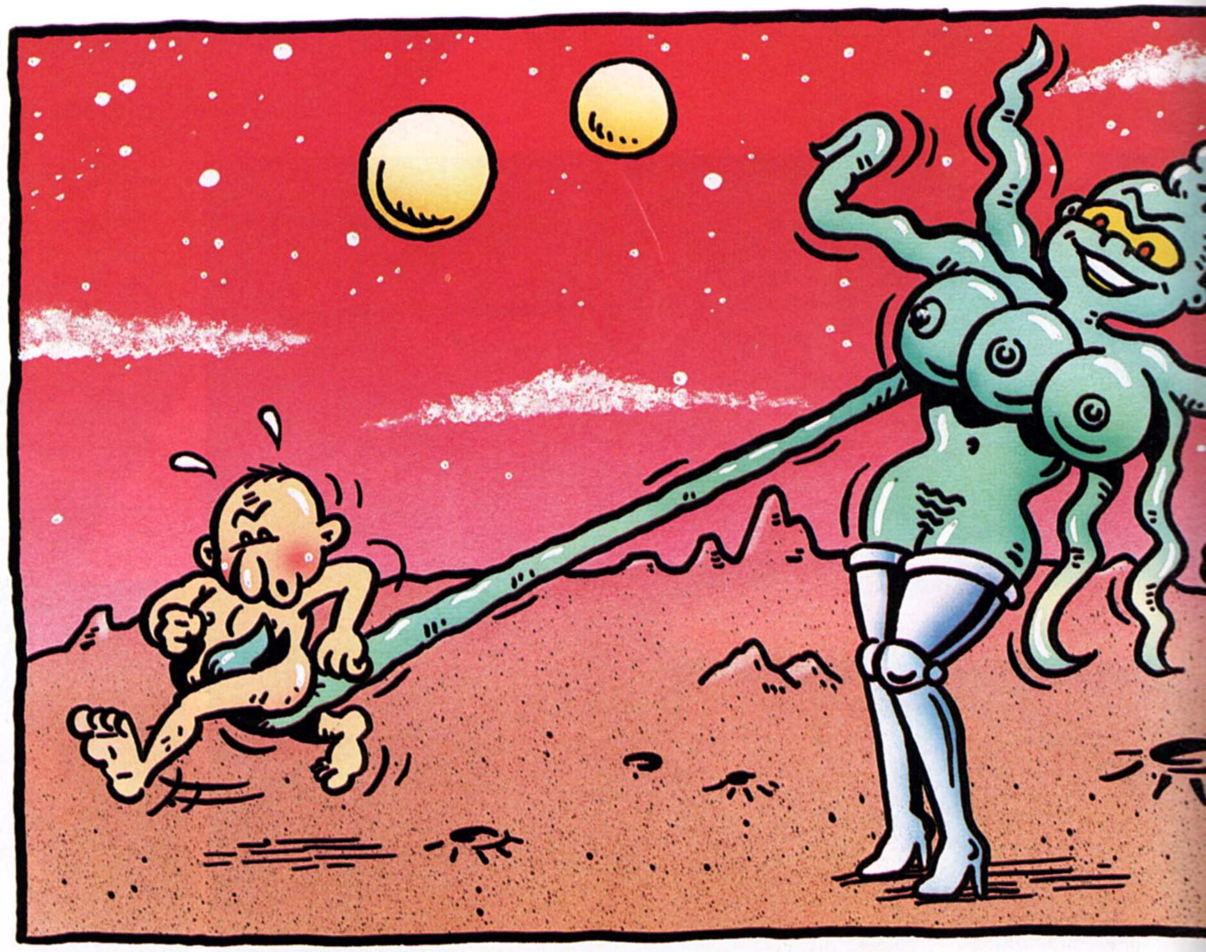
It's a great heading, but there's absolutely nothing funny to say about this. You can't.

Into the black hole: the final frontier

When you're actually having sex with an alien, the first rule is: be gentle. If you're not they might zap you to pieces with a thermonuclear brainwave.

As for what you should do, you can generally guess that from the alien's colour. Green ones tend to prefer straight, man-on-top bonking. Red ones tend to like it from behind, while deep blues favour oral sex. (Ultra-blue Neptunians have throats especially adapted for taking the penis right the way down. They also eat through their vaginas.) Pure white synergetic Centurans have infinitely elastic bodies and can have sex with you in eight positions at once, including missionary, doggie, sitting, 69 and upside down on the ceiling. Trouble is, they always smell of Ariel liquid.

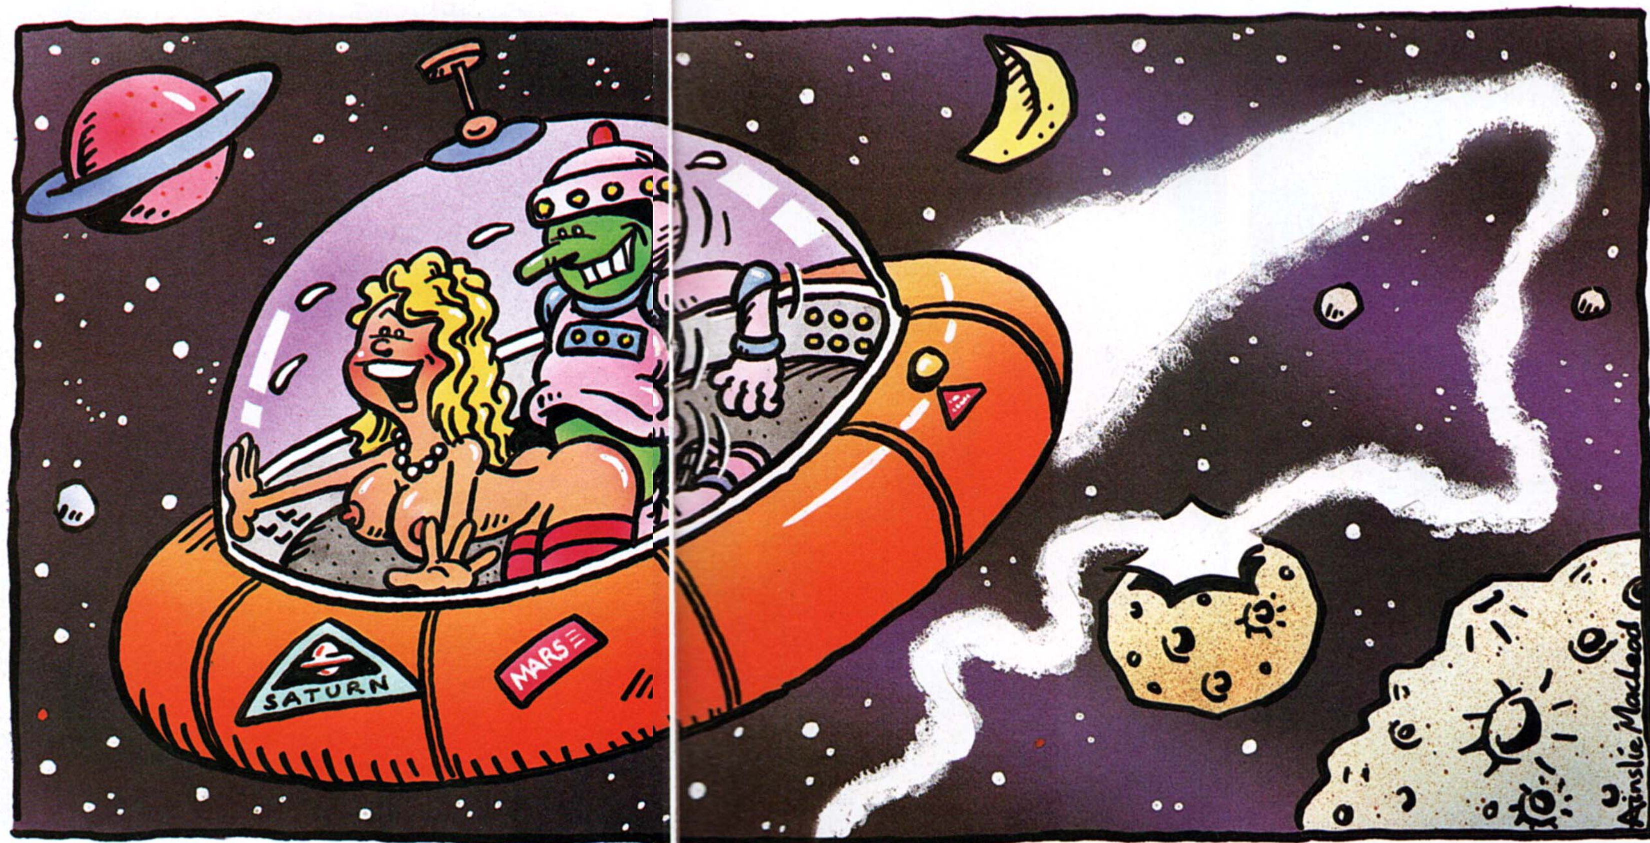
Incidentally, purple aliens with puce spots all over them are amazing in bed and go like the clappers. You'll have a great time if you pull one, but don't let your friends see you or you'll never live it down.



The alien orgasm

It can be very dangerous to shag an alien to orgasm. Only experts should attempt it. You never know what they're going to do. Amoeba-like Betelguesans explode at climax, scattering thousands of little Betelguesans over a three-mile radius. This will not be good for your health, and the neighbours might start talking.

Therefore, the sensitive human lover should carefully watch his alien, waiting for signs that she is just about to orgasm. Then he should shoot his load, roll over and fart loudly. This will come as second nature to most of us, but if you're worried, practise a little more on your girlfriend or wife.



How to get your name in the papers afterwards

This is the most important part. The fact is, aliens only come here and shag us so they can see themselves in the Sunday papers and impress their friends in the pub, so they would be extremely displeased if you failed to get at least a two-page feature on them. They might destroy the world, or at the very least alter your ectoplasmic makeup and turn you into Ronald Reagan. Or even Nancy.

Thousands of people phone newspapers every day claiming to have had sex with aliens. To catch the Editor's eye, you must make your story juicier than the next guy's: show them you have more than one string to your bow – they might even do a series on you.

Try marrying a lettuce or giving birth to a frog (they are especially impressed when a man does this). You might be the long lost son of Adolf Hitler, or better still, be Adolf Hitler himself.

You will also need a shadowy, grainy picture of the alien having sex with a World War Two bomber on the moon: remember to ask the alien for this before she leaves. They normally have a few dozen printed off before coming to earth.

What to do when an alien falls in love with you

If an alien keeps on visiting you and threatens to tell your wife about the affair, you must face up to the situation. Say to your Mrs, ''It was a purely physical thing. I was lonely one night, and she was there. It meant nothing to me. I never felt for her like I feel for you: we don't even speak the same language.''

Your wife will then throw you out, and you can go and live with the alien. Basically this good news all round. Most are pretty sexy and very good housekeepers. Except the Martians of course. And at least they taste nice when you eat them.♣

Women's Writes

Where the girls get down to business

I SPY

I've always known that my husband has had affairs all through our marriage, but because he is so good in bed I turn a blind eye. I always thought, too, that I'd be furious if I actually came across him fucking one of his bits on the side, but when that actually happened, it turned me on as never before.

I came home from work early and I knew what he was up to when I found a trail of clothes leading upstairs to our bedroom, both his and his other woman's. I noted with glee that she must be fatter than me from the size of her bra and knickers.

They hadn't even bothered to shut the bedroom door, and I could hear loud noises coming from our room. Unnoticed by them, I crept up and peered round the door to see my husband lying on his back sporting an enormous erection, and a well-built girl in her late teens standing astride him on our bed, just about to lower her dripping cunt on to his dick. I couldn't tear my eyes away as she sank down on to it, making a loud sucking noise as she took his length fully into her cunt. Soon, she was bouncing around and screaming the house down as he shafted her expertly, giving her no less than four orgasms before she rose up to a kneeling position and begged him to give her his come over her ample cleavage. He fondled her tits as he did so, then afterwards she rubbed it into her boobs and licked her fingers appreciatively.

I couldn't hold back any longer. Watching them had got me so turned on that I rushed off into the spare room and frigged myself off with my fingers, biting my knuckle so that I wouldn't make any noise. I hid in there for an hour till they both went out.

Since then, I've done this regularly, and the best thing is that my hubby has no idea that I spy on him. But perhaps he'd enjoy that. – *KR, Wilts*

LAGGING BEHIND

When I was at University, I had a pretty wild social life. With men, that is. I was known as a bit of a goer, with a particular penchant for rugby players . Well, they're all so muscular and well-hung, aren't they? In my first year, when I was still getting used to the idea of being away from home, I shagged more men than I can really remember, and I was never short of offers. But one particular fuck still stays in my mind as the best – and funniest – I had.

I was at a friend's party one Saturday night, and as usual we were all pissed. I was especially far gone, as I'd managed to down a whole bottle of scrumpy. I was also on the lookout for a new bloke, so I was really pleased when this guy I'd had my eye on for ages came in, minus the girlfriend he usually had in tow.

I don't mind admitting that I made a very obvious play for him. I just got a drink for him and myself, marched straight over and said to him, ''I've just *got* to seduce you.'' There aren't many blokes who can resist the direct approach, and pretty soon I'd dragged him into the kitchen for some serious snogging. I didn't care who could see us as he groped all over my bum, kneading my firm buttocks as he pressed me firmly against the hard-on that I could feel uncurling in his trousers. My cunt was buzzing away, and I knew my panties must be getting moist, so when he suggested that we continue things upstairs I thought it wasn't before time!

However, there were no bedrooms free (they were full of other randy couples fucking) which was really annoying. Shaun, the lad I was copping off with, wasn't deterred though. He just opened a door on the landing and pushed me inside. It was the airing cupboard!

''How did you know this was here?'' I asked, as I took off my jumper as the cupboard was so hot.

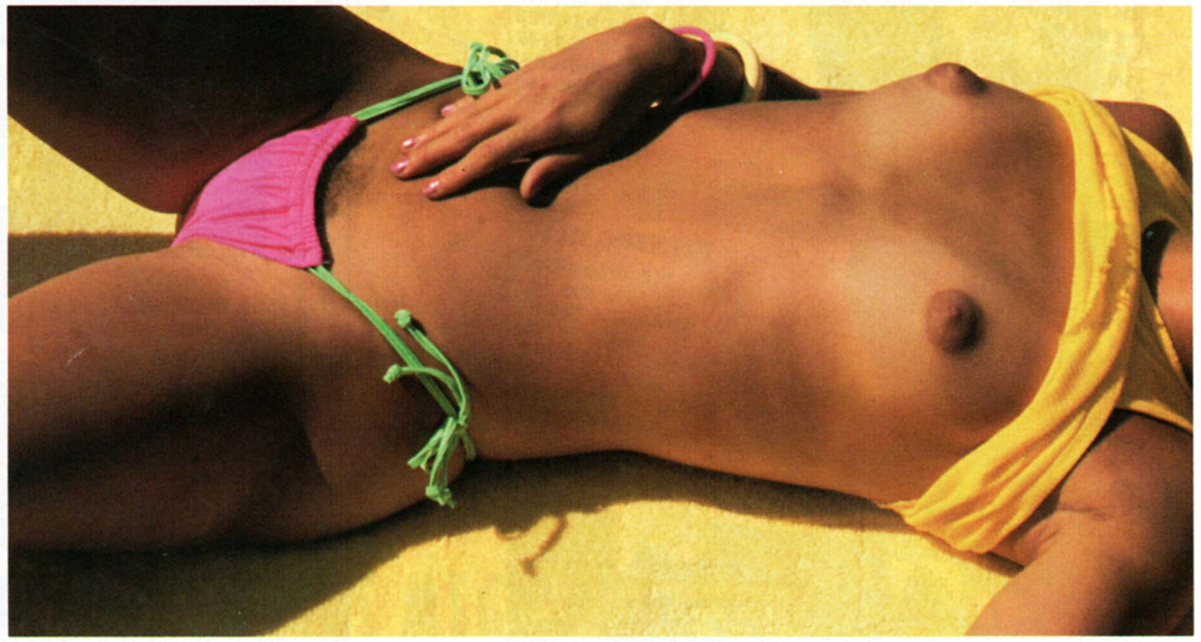
''It's my mate's house,'' grinned Shaun, pushing me back on to a pile of sheets that were airing. He was soon licking away at my cunt after pulling off my panties, giving me an orgasm pretty quickly. He certainly knew what he was doing down there. I decided to return the favour, and turned round so that I could take his cock in my mouth, sucking it firmly as Shaun groaned and stroked my hair.

''I'm going to spunk if you carry on doing that,'' he told me. Naturally I didn't want to waste his spunk, so I let go of his prick and said, ''Well, you'd better get ready to shoot it in my fanny, then!'' I think he was a bit shocked at my forwardness, but I was past caring then. I just wanted his hot sperm in my cunt, so I turned over and knelt down with my bottom in the air. ''Get on with it – I'm desperate!'' I ordered him.

There wasn't much room for manoeuvre in there, but somehow Shaun managed to get on his knees, and was into my cunt balls deep at the first thrust. My face was pressed against the door of the airing cupboard and his fucking strokes went faster and faster. He seemed to be a noisy lover by the way he was moaning and groaning, and someone had obviously heard what we were up to because they started banging on the door of the cupboard asking what was going on!

After Shaun had filled my pussy with his spunk and I'd had my orgasm, I was wiping my cunt with my panties when I realised he was still moaning and groaning. It turned out that while he was shafting me, he'd burnt his bum on the hot tank of the airing cupboard, and was now nursing a pair of extremely sore cheeks!

I always wondered how he explained that to his girlfriend. – *Yvette, London*



A BIT OF A BUMMER

I don't know what it is, but men seem to have this thing about my bottom. They just can't get enough of it. When I was in my teens I was really paranoid about it, and was convinced that it was too big, too wobbly – not at all the sort of arse that I wanted. But one particular encounter convinced me that my arse was my best asset!

I'd just started going out with this guy called Dave; he was dead good looking and I'd fancied him for ages, so every time I saw him I was really careful to hide my bum in case he noticed how big it was. I was dreading the time when things came to the crunch.

As soon as he saw my large wobbling cheeks his cock shot upright and a huge blob of pre-come appeared on the end of his knob. ''I fucking *love* your arse!'' he yelled at me as he wrestled me on to the bed. I was so surprised I could hardly say anything; even less when he gave me his cock to suck.

''Don't let me come,'' he begged. ''I want to spunk over those lovely big cheeks!'' Before I knew it, he'd turned me over and was pressing his dick between my bum cheeks. It was like having a tit-fuck, but Dave seemed to be enjoying it even more than that, by the way he was moaning. Eventually he deposited a large gob of come on my buttocks.

Needless to say, since then I've always used my wobbling arse to its best advantage! – *Caroline, Lincoln*

Couples Confess

After the success of our series by the Braddons, we were deluged with letters from other randy couples. So we decided to make a feature of all your dirtiest, real-life couples confessions.

Since I read about some of the parties your readers have been to, I decided to tell you about one that my wife and I went to just before Christmas.

A couple we are friends with – Pauline and Phil – invited us to go with them to a party one Saturday night. My wife, Janice, and I had already swopped partners with Pauline and Phil once and we had both got a lot of fun out of watching each other fucking with someone else.

''What shall I wear to the party?'' Janice asked me. ''I'm not sure I have anything suitable for the sort of parties Pauline and Phil go to. Pauline showed me some of her outfits once, and they're *very* revealing.''

''Now's your chance to get something really wild then,'' I replied. ''Anything goes so far as I'm concerned. The more you show, the better.''

Next day Janice went out shopping, and when I got home in the evening she'd been busy altering something with a pair of scissors. She was packing everything away when I arrived. ''Hey, what about a preview of your new clothes?'' I asked.

''No chance,'' she said. ''You'll have to wait till it's party time. I want to surprise you.''

The next Saturday evening Janice made me stay out of the bedroom while she got ready for the party. She eventually appeared with her winter coat on so I couldn't see what she was wearing underneath. Pauline and Phil picked us up in their car and it didn't take long to get to the house where the party was being given by some American friends of theirs.

After the cold rainy weather outside, it was such a contrast to get inside that house. The music was loud, there was lots of laughter, and the heating was turned up high.

As soon as we got inside, I could see we were going to have a good time. The party was only just beginning and some of the guests had hardly anything on. The girl who opened the door for us was still wearing her dress, but you should have seen it! It was a tight purple velvet mini dress, quite a straightforward style really, but the great thing was that a panel of see-through lace spiralled right up it – and she had nothing on underneath. She was certainly showing plenty.

''Come on in,'' she said. ''The fun's just beginning.''

As Janice and Pauline slipped out of their coats, I gasped aloud. ''Wow, that's incredible!'' I said.

''I told you it would be a surprise,'' said Janice. ''This is my new dress – slightly altered, of course.''

The bright red dress had a short full skirt made of several layers of net that didn't quite conceal the tops of her sheer black stockings. From her hips upwards the shiny dress was elasticated and boned so it fitted tight to Janice's body. The dress was strapless and her shoulders were bare – but that wasn't all. The dress had obviously been designed with two bra cups at the front, but Janice had cut them out so her boobs hung completely free.

Pauline's outfit was striking too. It was a glittery silver body stocking that stretched tightly over her tits and cunt. The material was so flimsy you could almost see right through it. Over it she wore a silver bum-length silk jacket that hung open. Her black shiny shoes, like Janice's red ones, had heels about as high as they come.

Some guy gave us drinks, we helped ourselves to food, and then had a good look round. Some of the girls had really great outfits – some were in micro-minis, others in boob-

All You Need Is Love

revealing tops, and quite a few in just basques and stockings. Some had on even less. A couple of women wore only tiny fig-leaf G-strings and body paint – with high-heeled shoes, of course.

Janice was getting quite excited by the atmosphere. She soon dragged me to the centre of the room to dance. And how she danced! She wiggled her bum and spun around so her short net skirt flared out and showed her thighs, and she shook her body so her tits were in constant motion. A girl in gold and silver body paint, wearing nothing but a G-string, came and danced with us. She was about the same height as Janice and the two of them moved closer together so their boobs touched each other as they danced. I could feel my cock putting on a few inches as I watched.

Janice once told me she fancied doing it with a woman, and I could see she was starting to lose her inhibitions. It really turns me on to see two women doing it together. Soon they were stroking each other's tits, then their dancing slowed as they caressed each other's bums and rubbed their pubes hard against each other. I was left in the middle of the room as they wandered off to fondle each other in a corner.

I wasn't alone for long, though. The place was full of horny party-goers, and quite a few of them were dancing. Pauline and Phil were nearby. "It's bloody hot in here," she exclaimed, sliding off her silk jacket. Now her body stocking was revealed in all its glory – or rather she was, because the thing had no back. There was a thin piece of glittery elastic up the crack of her bum, another round her waist, and one round her neck, but apart from that Pauline gave everyone an unimpeded view of her rear.

My cock was rigid by now. Mind you, as I looked around, I couldn't see a guy who didn't have a big bulge up front. Not that I wasted time looking at the guys. I soon found myself dancing with a topless girl in a stretch denim micro-mini. Have you ever danced with a girl who's topless? I can recommend it. It's hard to look her in the face.

By this time, there were quite a few girls sucking cocks and guys poking cunts. The atmosphere was really wild.

My partner and I were dancing very close. Her tight skirt rode up high and I put my hands on her bum, helping the stretch denim to ride up even higher. She was soon undoing my shirt and rubbing her crotch against my leg. I pulled the skirt up to reveal her bare bum with not even a G-string up the crack.

My shirt soon came off and she started unzipping my trousers. I moved one hand to her gyrating crotch and felt the juicy warmth of her randy cunt. She seemed to like being fingered. Her jerky movements increased as I groped my way inside. Next she had my fly open and my big stiff cock in her hand, massaging it gently and looking me in the eyes with a real come-on expression.

Then things got real romantic. We just sank to the floor in each other's arms. As I lay on my back she crouched over me in a 69 position, her knees on either side of my head. Pulling her cunt lips apart, I started to lick her beautiful moist pussy. At the same time she took my cock in her mouth and started an up-and-down motion that soon had me trembling with pleasure.

All around us there were bodies, naked or nearly naked, doing the most gorgeously disgusting things to each other. Next to us there were two guys sharing one girl. They were both standing and she was face upwards with her legs tight around the waist of the one who was fucking her. He held her under her bum while the other guy, who had his cock in her mouth, held her under her arms. There she was in mid-air with a cock at each end and obviously enjoying it.

Over the other side of the room was Janice, tongue-in-cunt with her new found female friend. She was quivering helplessly as an orgasm shook her body.

One big guy with an enormous cock had lifted up a girl in a black basque and fishnet stockings. She put her arms round his neck, wrapped her legs round his waist, and beamed with joy as he lowered her on to his king-size tool. As he stood there she bounced up and down on his dick, whimpering with lust and digging her long red fingernails into his back.

And another guy was having a whale of a time. He was lying on the floor licking out the cunt of a girl who was kneeling over him playing with her tits, while two other girls busied themselves giving him a double blow-job. I realized the guy was my friend Phil. I don't know where Pauline was, though I did see a bum that looked like hers bending over an armchair and getting fucked from behind.

Things were sure getting exciting. But it was just then that our hostess, Marlene – the chick in the tight purple mini dress with the see-through lace panel (except that she didn't have it on any longer) – strode into the middle of all this coitus and interrupted it.

"I hope you're all having a good time," she said. "But don't let's get carried away just yet. The night's still young. There's time for a little party game."

"Come off it," some guy groaned. "I was just having the fuck of my life, and you want to play musical chairs!"

"It's time you realized there's a lot more to sex than just fucking," she replied. "And anyway, the game's not musical chairs. It's called musical cocks."

"Musical cocks?"

"Yes. Just clear the floor and I'll show you," she said.

Marlene got the guys to lie down naked side by side on the floor. Alternate ones faced in opposite directions – just like in musical chairs. We all held our bone-hard cocks so they were upright. Then Marlene told the girls what to do.

"You girls just walk around the guys till the music stops. But when it stops you've got to get yourself on to a cock as quick as you can. I'll shift a guy from the end each time so you'll always be one cock short," she said.

I felt quite pleased I'd chosen to lie in the middle.

To press the rules home, Marlene moved from one guy to the next, sitting on each cock in turn and doing a few little ups and downs. She was really horny. When she'd finished there was a row of straining cocks all glistening with her love juice.

"See how easy it is," she said, switching on the cassette player.

The girls made a circle and then began their slow walk round us. What a parade! Fifteen sexy beauties. Tits, bums, cunts, thighs, stockings, suspenders, basques – every guy's fantasy was there, and we got a worm's eye view of everything. My cock put on a centimetre or two while I watched.

Then Marlene stopped the music. What a scramble! There seemed to be tits, bums and stockinged legs everywhere. A dark-eyed brunette in black hold-up stockings and a gorgeous sun tan impaled herself on my throbbing cock. She was juicy as hell and took it right up to the hilt. "Hi," she said. "I'm Jill. Nice to meet you."

"The pleasure's mine," I blurted out, but before we could continue the conversation Marlene had turned the music on again. Jill pulled herself off me and joined the others in their walk around the line of cocks.

The girl who'd been too slow to get a cock in her cunt the first time got a vibrator as a consolation prize. She obviously appreciated the consolation, because she started using it straight away as she sat in an armchair watching the rest of us. Then Marlene asked a guy from the end of the line to move, and that gave the girl with the vibrator a cock to put in her mouth as well.

The music stopped again. This time a blonde with lily-white skin and a pink silk suspender belt got my cock deftly inside her. I didn't actually see her face since she had her back to me, but her temptingly rounded buttocks were just right for spanking.

But then the music started once more and she was off. The next cunt to land on my cock felt familiar. It was Janice who leaned over and kissed me, brushing my chest erotically with her lovely big boobs.

"Having a good time, darling?" she asked.

"You bet I am," I replied. "How about you?"

"Not bad," she said. "Mind you, I've only had one orgasm so far. I'm looking forward to some real hard fucking."

As the music started she left me and the game went on. More and more people dropped out till I was the only guy left on the floor, while Janice and Pauline were competing for my cock. When the music stopped for the last time I got a gorgeous rear view of two girls bending over, pulling open their cunts, and pushing each other with their bum cheeks as they tried to get my prick inside.

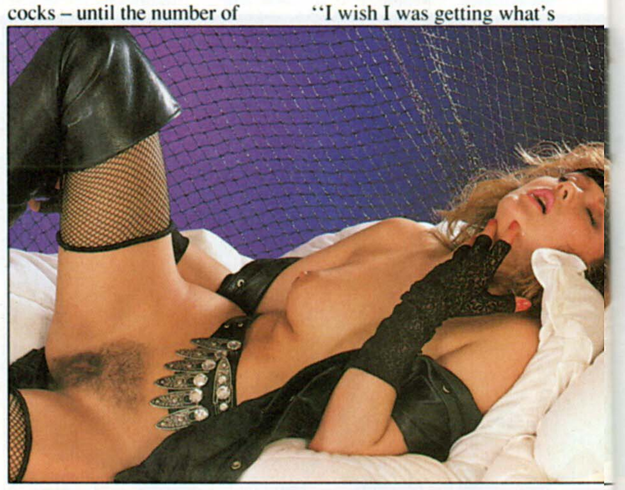
Janice won, and somehow I felt pleased. But Pauline wasn't to be outdone. She sat astride my face and said, "Lick me out please. Lick me, poke me. I can't wait any longer." Naturally I was only too pleased to oblige.

I soon had the two of them riding me for all they were worth. Janice pushed down on my tool as hard as she could while she moved her hips in a circular motion. Pauline held her cunt lips apart while I licked for all I was worth. It was an incredible feeling, exploring every part of Janice's cunt with my cock and probing deeply into Pauline's pink depths with my tongue. And it was even more incredible as they both started to have their orgasms at the same time, pushing up and down, rubbing backwards and forwards in a frenzy. Janice moaned as she satisfied herself with my rigid member, while Pauline dribbled her juices all down my chin.

After we got up, Marlene tried to organize a game of musical cunts but it didn't work too well. The girls knelt on all fours, alternate ones in opposite directions, and the guys had to walk around and put cock to cunt as the music stopped. The game degenerated a bit, though. The girls were happy to get a mouthful as well as a cuntful so there was a hole for all the guys to put their cocks – until the number of women was less than half the number of men.

Soon the last two women made room for seven guys, which meant that the last woman of all had seven glorious cocks competing for her favours. She wasn't bothered at all. In fact it seemed to make her all the more randy. And she was quite the envy of some of the other women.

"Lucky you," said Marlene. "I wish I was getting what's coming to you."



Well, the music stopped and the guys dived. One slid right underneath her on his back and stuffed his prick in her gaping cunt. Another knelt behind her and pushed gently but firmly into the same hole. At the other end she opened her mouth wide to take in the cocks of two guys who stood side by side. Then she got a guy on each side of her and took a cock in each hand. That left one who there didn't seem to be room for.

"Never mind," said Marlene. "Maybe I can do something for you." She knelt down in front of him and took his cock in her mouth, working the foreskin backwards and forwards with her fingers. She was a real pro, and it wasn't long before he coated her face in creamy come. She rubbed it all over her cheeks and massaged it into her boobs.

Somehow that was the signal for the fucking to start again. Since one girl was occupying six guys in the middle of the room there were a few spare girls among the spectators. I soon got Janice and the brunette Jill kneeling on all fours, side by side, kissing each other and fondling each other's tits while I fucked first one and then the other.

The girl in the middle of the room would have been moaning with pleasure if she hadn't had her mouth so full all the time. The guys kept swopping positions, but she took everything they gave her. Eventually her whole body started to quiver and I could see she was going to have an orgasm. But what an orgasm. She really went wild with pleasure, so much so that her six lovers started to come as well. What a sight! They absolutely drenched her in come. She got a couple of cockfuls in her face, a couple round her cunt and arse, and a good smattering all over her back.

Most people were watching this even as they were doing their own fucking, and it was quite a turn-on. I felt Jill jumping with orgasm so I drove hard into her to heighten the pleasure pangs. Then it was Janice's turn. She'd told me earlier she wanted some real hard fucking so I gave it to her. I slammed my rock-hard cock into her time after time till her body began to stiffen, then relax. Then, as the waves of orgasm swept through her, I felt myself pumping her full of my come. It was a fantastic feeling – having an orgasm with two women after fucking in public and watching a gang bang performance at the same time.

When we got home afterwards Janice told me she got real turned on by watching one girl take on all six guys. She even said she'd like to try it herself one day. I told her she can if she wants. I'm open minded. I don't mind. But I told her she can do it on one condition – that I get to try it with six women all at once first! – *Henry B, Portsmouth*

On The Job

The Motor Strip Show

I never thought I was the sort of girl who'd ever have anything to write to a men's magazine about. It's not as if I'm a nympho or anything – in fact, before all this happened I'd have said that I was quite a prude. I don't think anyone will ever be able to think that of me again. I don't know if I feel comfortable about myself any more. But I do know that just remembering the episode makes my pussy tingle and my panties wet with excitement.

My husband and I got divorced about six months ago, and in court he got away with paying minimal maintenance. As if that wasn't enough, he did a disappearing act pretty soon after, so I had no money at all. Nothing for the house, nothing for the kids at Christmas; and my salary was nowhere near enough to cover all our expenses. I was getting desperate, and started to look round for a second job to get some extra cash. That's when I spotted the ad in our local paper.

It said: "Models wanted for professional photographer. Good rates paid." I showed my best friend and asked her what she thought. By that point, I was willing to try anything.

"Why not try it?" she said. "You've got a great figure. As long as you check the guy out, it'd be just what you need." I must admit that I'm pretty proud of my figure; even after two kids I'm the same 36-24-36 that I was when I got married, and I keep myself looking young and fit. With my long legs and blonde hair, I've always attracted a lot of male attention.

The photographer, Jeff, was really keen as soon as he saw me, and as he was offering £100 a day for a week I had no hesitation in taking the job. Then he introduced me to Celia, the girl I'd be modelling with at this county motor show where the shoot was to be held.

Celia was gorgeous, with lots of fluffy blonde hair and big eyes, and she was very sure of herself even though I guessed she was a little younger than me. She wasn't a professional model but she'd done quite a lot of work for Jeff so she spent the morning showing me the ropes and I watched Jeff taking pictures of her draping herself over some of the classic cars that were on display. She didn't care that anyone could walk up and watch her being photographed in her underwear – in fact, she seemed to be enjoying the attention from passers-by.

After a short lunch break it was time for me to join in the shoot. Jeff wanted some shots of us on the bonnet of a big old American car. They had to be a bit special as they were for a glamour catalogue, so we drove off somewhere a bit more secluded and Celia put on a man's style dinner suit with some lace undies and stockings underneath. "The Yanks really go for this sort of thing!" she grinned. I wore my best lingerie and the look in Jeff's eyes as I walked up to them told me that I was looking great.

I don't really remember much about the shoot itself, but I really was getting into it by the end, pouting sexily at the camera, bending over the bonnet to spread my legs and thrusting my bum out, and occasionally giving little glimpses of cunt and nipple if I was feeling daring. By the end of the afternoon I was very relaxed and felt that I'd really got the hang of things.

It was then that Jeff made the suggestion. "How do you feel about doing a little extra?" he asked me. I wasn't sure what he meant, and Celia explained that he meant a bit of all-girl action.

"You mean lesbian stuff?" I said. I had to think about it for a few minutes, but then Jeff made me an offer I couldn't refuse so I agreed.

"Don't worry, it's easy," Celia told me. "You just have to touch my bum, put your hand on my tits, that kind of thing. It's no big deal." So we got started, Jeff clicking away as we posed so as to look as if we were touching each other up. She was right, it wasn't a big deal – at first.

But gradually things started to get a bit more steamy. I was enjoying the feeling of Celia's hands on my body, moulding my tits and buttocks and rubbing my skin through the silk of my lingerie. To my embarrassment I could feel my nipples getting erect and a wetness developing in my panties.

If Celia or Jeff noticed neither of them showed it. Mind you, I could hardly bring myself to look at them by this point. All my mind was focused on the heat that was running through my body and gathering in my pussy, making me shiver and bringing up goose bumps on my skin. Celia's hands seemed to be on me even more now, I wasn't imagining it. Her fingertip circled my nipple lazily, making it stand out hard and juicing my cunt up more than ever. Surely she must notice now.

At that point Jeff announced that he was going for a pee so we could have a short break. As he went off I leaned back on to the bonnet, breathing heavily. Celia hadn't taken her hand off my boob and was massaging it firmly now, gripping my bum with her other hand. She pressed against me and our nipples touched. I just trembled and to my surprise I could feel that she was as turned on as I was.

"This is a turn-up for the books," she said as she started to kiss me, quite softly at first but then harder, grinding her pussy against mine. I could feel that she was wet down there too and reached down to fondle her slit through the thin material of her panties. I don't know why I did that. I pressed the material right into her slit and she wriggled on my finger, spreading the wetness through the crotch of her knickers. I could feel it seeping through. She was soaking.

"God, that's good," she breathed. "I've been wanting you to do that all day."

I had to ask her the question. "Are you a dyke then?"

"No," she replied. "But I've been with a couple of women and when I saw you, I half thought we'd end up doing this. You've never done this before, have you?"

I admitted that I hadn't. I'd never had the urge. But feeling my finger slipping into Celia's cunt, and her pussy walls contracting around it, was so good I didn't want to stop. We'd both forgotten about Jeff by now – I didn't know how long he'd been gone.

Celia reached round to roll off my camiknickers. They fell down to my waist, leaving my tits exposed with the nipples standing out hard and aching. Celia was kissing me again and I wrapped my legs around her waist as she stood in front of

the bonnet while I sat on it. She soon started kissing down my neck and carried on down to my nipples, circling them with her tongue and making me moan as I felt I was about to come. I was shaking all over and I leant back and shut my eyes, holding my boob up for Celia to suck. She was nibbling the tip between her teeth and I couldn't stand it any longer so I just let myself come.

I must have been very wet because my panties were stuck to me as Celia slipped her hand into them to frig my clitty. I was building up to another orgasm as she touched my button with her sharp nail and rubbed it up and down.

''Pull off my camis,'' I panted, desperate to feel Celia's fingers inside my cunt. She drew back and pulled the panties down, bringing the top half with them. I was left in just my stockings and shoes, with my wet pussy leaving traces of juice on the car bonnet. Celia ran her hands up the inside of my thighs then quickly slipped a finger into my fanny, and then another. I clamped my cunt walls round them, contracting the muscles as she moved them back and forth.

I'd come twice more with her doing that, and was steadily working my fingers over Celia's clitty under her skimpy see-through panties, feeling her juices covering my hand, when someone coughed in the trees nearby. We both jumped apart with a start, though it was no good doing that – anyone with half a brain could easily tell what we'd been up to. There was I, my soggy undies in a crumpled heap on the bonnet, sitting in a pool of my own love juice, and Celia with her soaked panties clinging to every fold of her pussy. It was Jeff, who we'd both forgotten about, who had coughed.

He came out from behind the trees carrying some sandwiches and cans of lager – and displaying a large bulge in the front of his jeans. He was very red in the face and breathing hard, although not as hard as Celia and I!

''I, er, thought I'd get us a snack from the show kiosk,'' he mumbled. ''That's why I was gone so long.'' Then looking at our expressions, he half smiled and said, ''But don't let me interrupt you.''

Celia looked at me and blushed. ''I'm too far gone to stop now,'' she said, and to my surprise and embarrassment started to fondle me again, right in front of Jeff!

I was too ashamed to move at first, but the sensation of Celia's mouth and tongue all over my tits, and her hand in my fanny again, made me forget anyone who might be watching. My legs bucked as I lay back on the car bonnet and Celia moved between my thighs and sucked at my clitty. She was frigging herself off at the same time, making little moaning noises as she had several mini orgasms. I was licking at her nipples by then too, really letting myself go in a way that surprised me.

I could hear some strange grunting noises, and I opened my eyes to see what they were. Beside the car was Jeff, with his jeans unzipped, wanking a large hard-on for all he was worth.

Celia had turned round to look and the sight of his prick, with the foreskin rolled all the way down and his knob end straining and shiny with pre-come, was too much for her. She reached over and started to wank his prick as I watched. Then she knelt down and took his cock in her mouth, looking up at him cheekily as she sucked harder and harder. I could tell he was going to shoot his load any minute by the way his cock was twitching, and the sight was making me feel randy all over again. So much so that I pushed a couple of fingers into my already wet and swollen fanny and wanked myself, revelling in the feeling of being totally wanton.

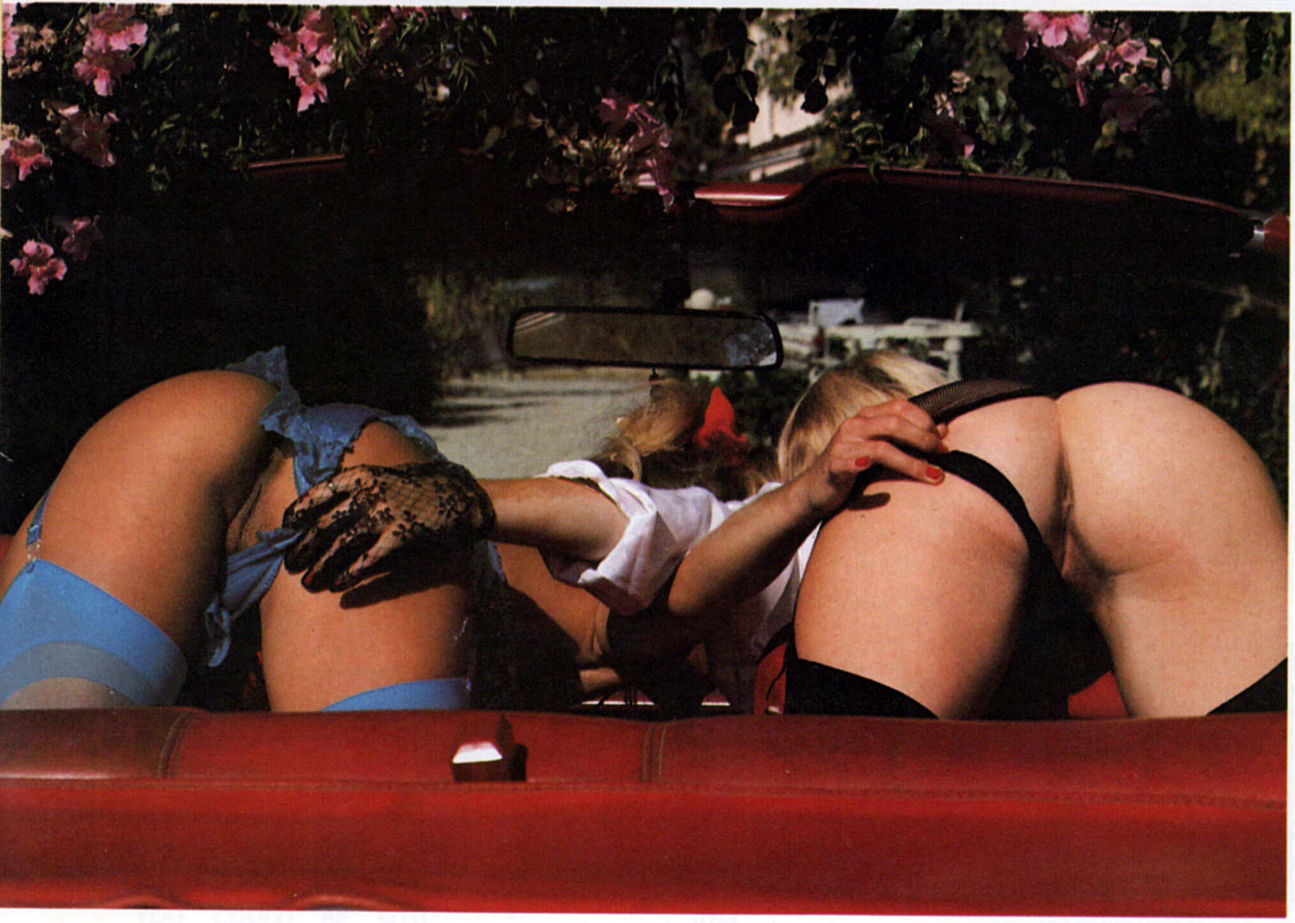
Celia was really going for it on Jeff's prick, and suddenly a large thick gob of come spurted along the shaft and shot into the back of her throat. I watched, fascinated. I'd never seen a man come like that. Celia pulled his prick out of her mouth and he carried on shooting his load, covering her face and hair with his sticky sperm. Celia was gobbling down any that landed on her lips, really swallowing it greedily. I wanted to taste it too, but I could see that it'd take a while for Jeff's balls to fill up again after the amount he'd just unloaded over Celia.

''I know what you want,'' Celia grinned at me. ''You want some of Jeff's spunk, don't you? But you won't get

any till he's hard again. We'll have to do something to help him along.'' I knew right away what she meant – another little lesbian show. This time I didn't hesitate and pulled Celia on to the car bonnet, tearing off her panties almost in a frenzy. They were soaked anyway, and I threw them over to Jeff, who immediately held them up to his face and started sniffing Celia's juices. Normally I think I'd have found that pretty revolting, but by now I was so far gone that anything was just turning me on more and more.

I was on my knees between Celia's thighs by now, and she was grabbing my hair and holding me against her pussy which I was frantically licking out for all I was worth. It was my first taste of a woman's cunt, but I knew it wouldn't be the last as I slurped down her tangy juices. She was obviously one of those people who love to talk dirty when they come, as she came out with a string of filth.

''Oh, I love you licking my pussy – I'm so wet. I'm drowning your face with my pussy juice!'' That last bit wa almost screamed as she came over my face and into my mouth. I looked round to see Jeff sporting another large stiffy, which he was holding i both hands and wanking fast.



''Oh, don't waste it!'' I yelled. ''Pump your spunk int my fanny!''

Jeff staggered over (with such a big hard-on he could barely walk) and I positioned myself on all fours in front of the car, thrusting my bum into the air. I looked over my shoulder to watch him thrust into my snatch from behind, first parting my cunt lips with his fingers and rubbing his prick over my bum cheeks and the crack of my arse.

His dick was really stretching my fanny and I moved my cunt walls to hug it inside me. Jeff stayed still inside me at first, but then Celia began to encourage him, shouting, ''Shag her, Jeff! Fuc her hard!'' She was masturbating herself again, sitting on the car bonnet watching us below her. Jeff started to move his prick in and out, very slowly at first but then going faster and faster. I was crying out by now, really shouting the place down, and when Jeff reached in front of me to frig my clitty with one finger and insert another into my cunt next to his prick, I came in floods straight away. But Jeff still hadn't shot his load.

''Let me have all your come!'' I screamed, and right on cue he did. I felt it erupt inside me, a hot, thick gob of spunk. It wasn't as much as he'd given Celia, but it was still enough to have it trickling down my thighs when I stood up. And just to round things off, Celia knelt down and licked my cunt clean, swallowing all the mixture of Jeff's come and my own love juice.

After that, we were all too knackered to do any more of the shoot, so we went home. The next day, I thought how close we must have come to being heard or seen, and I still wonder if there was actually anyone watching us.

Since that time, I've worked with Celia and Jeff again, and my money problems are over. And I've fucked them both again, though we've never repeated that threesome – yet. – *Maggie, Shropshire* ♣

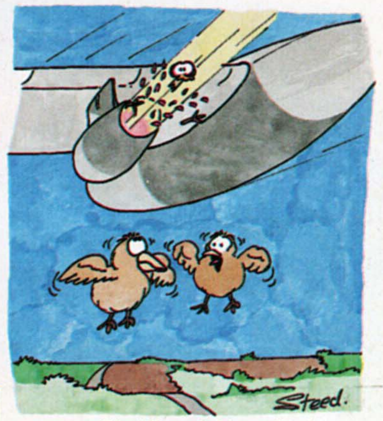
Bare Essentials

There is a letter from Chris of London in Vol 17 No 10 pleading for more stockings, suspenders and basques. I ask you, basques! They were out of date when Eve was a girl.

A real man, who can cope with a naked, flesh and blood woman, doesn't need anything but the girl. He doesn't have time to wax fulsome over a piece of cloth (called a basque) because it can't argue with him or refuse (or grant) him anything. He is too busy getting on with the business nature intended.

If people are turned on by stockings or knickers, presumably they might as well be shagging a clothes horse. In that edition of the magazine there is a picture of Dawn with a vest pulled up to cover the tops of her breasts. What good does that do? It isn't artistic or elegant or even concealing; it's just a blasted nuisance! Next to it is one with her wearing only one yellow glove! Not much of a turn-on.

But I must finally congratulate you on Stefanie. That set contained some brilliant totally nude shots, which proves my point completely. – *Trevor, Amersham*



That'll teach him to bonk birds that big!

Dear Camille,

I just had to write to you after seeing you in Vol 17 No 12. Your beautiful, sexy body made my dick as hard as a poker as I thought about ramming you from behind. What really sent the spunk flying out of my hot prick, though, was your wonderful, suckable, big, pink, rosy nipples. My knob swelled up at the sight of them in that fantastic centrefold shot, and I imagined my come was shooting over your tits and dripping from your nipples. I'll just *bet* you love having your breasts fondled, and I'd love to shag you doggy-style and squeeze your boobs while we both come. Your nipples are driving me wild – I could lick and suck them for as long as you liked, while you wanked me and I worked my fingers in your lovely wet cunt. – *Graham, Manchester*

How did you know that doggy-style is my favourite position? Although as I said in my photoset, all the guys like it best when I'm riding them so I can show off my big tits and nipples, my personal favourite is for the guy to do me from behind so he can reach around and fondle my big teats. They're so sensitive, you know, that sometimes I can come just by having them fondled or sucked. But that's another story entirely . . . – Camille♣

The Club guide to girls

: Girls for when you're desperate

Vernon O'Tamar is here to tell you who to pull when you're scraping the barrel. And he should know.

iled out of the pub the other ght with the O'Tamar crew in w and was struck by a ought. ''Here,'' it said to me hen I'd regained nsciousness, ''why is it that hen you come out of the pub 11 o'clock after a long ssion you're always sperate for a curry or a oman?''

''Or even a curried oman,'' I replied wittily. But had a point. I mean, the rry's no problem, but how any times have you finished a ght out with the lads and had go home and watch the pen University, when you ow all the others have had e body of a good woman to ash out on? Depressing, isn't ? Especially when, like me at e moment, you haven't had a ood dose of female squashy its since the conker season. he fact that it was the conker ason of '85 makes it even orse.

These are the times us llows will leap upon any girl ho doesn't look like Mick McManus. Or even girls who o. In fact, according to runken logic (which is just ke sober logic but a bit more xtreme) the uglier the girl is, e better. If she's a bit eprived, she might be all the ore grateful for what remains of your erection after the 14 pints you've downed.

But tread carefully, friends. Big Vern (that's me to you) knows that girls who look like a navvy with eczema are frequently not very pleased with your attentions. Especially if you tell them their face looks like a milk pudding covered in pizza topping (well, it seemed like a good joke at the time). Many of them have become very disillusioned with the male sex. You can see why, when the only men who ever make passes at them are mashed out of their brains.

There's also the chance that, when you make your move towards the girl at the other end of the bar who looks like six sacks of potatoes with a smiley logo on top, your eyes are deceiving you. She might in fact *be* six sacks of potatoes with a smiley logo on top, and you won't impress your mates by trying to shag 80lbs of King Edwards in the public bar of the Duke's Head. Trying to tell them that you had to do it 'cos the chips were down will make no impression on them either.

On the other hand, severe drunkenness and desperation often leads to ludicrous confidence on our parts. Or even in our parts. Let's face it, most of us aren't really a cross between James Dean and Arnold Schwarzeneggar, but that's what we feel like with a few shots of Jack Daniel's inside. So we sidle up to a girl who's obviously way out of our class, feed them some crap line and fall over.

The strangest thing about this is how often you get lucky. I've had at least three good results out of this, and I've only done it 40 times.

The real cure for when you're desperate, as I said before, is the love of a good woman. A woman who's so good, in fact, that she'll put up with you when you turn up on her doorstep at 2 o'clock in the morning unable to stand, clear your sick off the carpet and even let you make pathetic attempts at lovemaking before you fall asleep. I had a woman who was this good once. We were together for two years. Towards the end, though, I got the feeling she was only being so nice when I was drunk because she was looking forward to the moment I woke up to a truly hideous hangover. She'd wake me up at 7am with a gong she bought from a market. And she used my head to bang the gong. It obviously wasn't working out. So it was back to the public bar at the Duke's Head . . .♣

ANDREA

When I'm modelling, I like a little variety, which is why I always love doing a spread with another model. Especially if she's as good looking as Shirlie. There's nothing like a bit of good healthy competition to get the old juices flowing, if you know what I mean!

Posing with Shirlie on those soft satin sheets gave me such a thrill; it got me really excited and wet. Satin always makes me think of being pampered by a man in bed, and of course that's what I like most of all. I like a man to make a fuss of me, woo me, that kind of thing. And these bedroom sets always make me feel in the mood for sex too. That's why I do so many of them – apart from the fact that I know all you guys out there love them!

I know there are loads of you out there who were dying to see me pose with another girl again, but one letter really caught my eye when I was going through my postbag. It was from a guy called Martin, who was on a boat passing round France when he wrote to me! He got straight to the point: ''Here in France's hot climate, where prolonged body contact can be an uncomfortable affair, the ladies prefer to bend over and take cock from behind. When I saw you and Melody doing that in your last two-girl set, it turned me on like never before and I'd love to see you and another gorgeous model do that again. Why not pop over one siesta time? I'll invite a friend and we'll screw the two of you rigid.''

That's the kind of offer I like to hear, and Shirlie couldn't wait to get down to business either. It was *very* pleasurable business too, as you can see. And I just *know* you'll love the results!♣

letters to ANDREA

Dear Andrea,
I don't suppose you get many letters from other women, but I just had to write to let you know how much I look forward each month to your appearances in Club. As you can imagine, buying the magazine itself can be quite embarrassing, but this usually just adds to the excitement. The combination of this with the anticipation of seeing you means that even before I have got the magazine home my panties are very wet. By the time I have the opportunity to savour your pictures, I am in a state of complete ecstasy, and an incredible climax always follows.

The pictures in Vol 17 No 5 are the best set you have done. The sight of your perfect, smooth skin encased by the pure silk lingerie is incredible. I myself have similar lingerie, but it really needs a perfect body like yours to do it justice.

The French Maid and bathtime pictures were again wonderful but they of course bring me to Vol 17 No 9 – where you posed with Melody. I note that you say in your introduction that ''getting in on the act with a girl who's every bit as randy as me is definitely one of my favourite things'', and that there is ''no substitute for a woman's touch''. If this is true, you may just be able to understand how I feel about you.

The mere sight of your picture in the magazine is enough to drive me into a frenzy. I dream of meeting you one day. In my dreams we enter my bedroom hand in hand, completely naked. I lie you down on the silk sheets and gently kiss your lovely little nose, my hungry lips moving quickly to yours, our eager tongues exploring each other's mouths. I slowly work my way down your body, sucking greedily on your erect nipples, feeling the smoothness of your flawless skin until I come to your sumptuous little pussy, already hot with your love juices. I thrust my fingers inside until you come with a shuddering orgasm. I then lovingly lap up all your love juices whilst you just lie in total ecstasy, unable to even move.

I hope you don't mind me expressing my desires for you, but as it is unlikely that we shall ever meet, I had to tell you how I felt. However, now it's back to reality where I have to make do with a bit of hand relief while fantasizing over your pictures. I would like to request photos of you wearing a simple white cotton blouse (very tight), a tight black knee-length skirt, black stockings, suspenders and French knickers with your hair tied back in a pony tail. I know this is very simple, but it is how I imagine you at your sexiest.

I hope you will be featured in Club for a long time to come, as I cannot imagine not having your pictures to look forward to each month. – *Kirsty, Edinburgh*

This is just the response that I hoped to get from my column, and I do hope that lots more girls, as well as guys, will keep writing in. Still, although I haven't yet fulfilled your photo set request, Kirsty, I hope that you'll find me just as sexy in any outfits I wear!

Dear Andrea,
I would like to say that I think your feature is the best that Club magazine has ever published. The person who decided to run a regular feature around a woman as beautiful as you are deserves an OBE. The fact that you are willing to put our fantasies into pictures makes the feature even better. I only wish my wife could be as broad-minded and fun-loving as yourself.

My greatest desire is to see a girl frolicking in lovely, deep, soft, slimy mud for her own pleasure. I don't particularly want to see a couple of girls so called ''mud-wrestling'' in two inches of mud, but want instead to see a girl wallowing just for the fun of it! My wife has never been interested in this, and would never consider any of my suggestions. I'd really love to see you wallowing in *deep* mud (at least 18 inches, and preferably deeper), with mud getting into every nook and cranny, your hair plastered to your head, and most importantly, you'd be enjoying every second of it! Just the thought of this is sufficient to make me come in my pants.

I look forward to reading your reply, and hopefully to seeing my dreams come true. – *John, Radlett*

You're one of many guys who want to see me frolicking around in a pool of gooey, slimy mud, John – and I must say that the idea of all that wet, sticky stuff running all over my body is nearly enough to make me come in my pants too. But I'll have to wait till the ground thaws first!

Dear Andrea,
I've only recently started buying Club and I wait with anticipation every month to see what you will be posing in for another eager reader. I had to write and ask if you could fulfil my secret fantasy.

I work in an office in Adelaide, Australia, and I'm in a very junior position. My boss has a thing for attractive young women and his number one secretary reminds me of you. I watch her every day as she glides around the office, but I know it's hands off – or face being fired. When I get home in the evening, I whip out all your Club poses and wank until my prick is almost dropping off.

The other day, the secretary came to work in a black mini-skirt, black stockings, suspenders (just visible) and very high black stilettos. She knew she had everyone's attention and most of the guys were trying to hide the huge bulges in their trousers – what a day!

I know I'll never get to see her beautiful body under those work clothes, so this is why I've decided to write to you with my request. My fantasy is to see you in the clothes I've described, then as I flick through your photos, you peel off to reveal the black underwear and, as I'm a shoe fanatic, don't forget the stilettos (which don't appear much in Club).

I'd wank for weeks to see you like this, and treasure the photos forever. Maybe I'd even send a copy to all of the other guys I work with! It'd really make my day. – *GDM, Adelaide, Australia*

It's great to know that I've got some fans Down Under – and even better to get letters from them. So I'll do my very best to fulfil your fantasies – but only if you keep sending me them!

Dear Andrea,
I wonder what the top ten requests for your photo series have been. I expect thousands of fellas went wild when you posed as a naughty schoolgirl or a nurse. And there must be lots of pleas for you to dress in leather and boots, and every imaginable piece of saucy underwear from peep-hole bras to tight-laced basques. I thought I'd try and dream up something a bit different for your next exciting show.

I have always fancied like hell those marching girls' piper bands – you know, the ones who dress in snazzy little uniforms, with tiny mini-skirts, frilly knickers, and tight-fitting tunics with gold braid and tassles across their chests. They always look too well developed for their uniforms, and their breasts seem to be straining against their tunics, especially when they are marching!

You would look out of this world dolled up in one of those uniforms, Andrea. Naturally, *your* gorgeous boobs would be straining against your tunic so much that they'd inevitably pop out, and would look fabulous draped with those golden tassles. And when you lifted your legs up to march we'd catch sight of your tantalising fanny. The greatest turn-ons are the girls who parade with those pom-poms. You could do some great now-you-see-it, now-you-don't shots with those pom-poms!

Go on, Andrea – try to persuade Club to do this. It's a great chance to parade yourself before all your admiring fans, and to get us all wanking in rhythm to your march. – *Mark, Cheshire*

I can just imagine myself now, waving those pom-poms and lifting up my skirt in time to that marching band. And, naturally, I'd have forgotten to put any knickers on . . . ♣

Well, what would YOU like to see Andrea do? Write to her at Club International, 2 Archer Street, London W1V 7HE and leave the rest to us!

girl that she loved it when I kneeled down and buried my face in that ginger pussy and gave her cunt a good licking. Her arse was pushed back into my face as she reached her climax.

Time to get my already stiff cock out as Hazel was demanding a good shagging. It slipped into her wet snatch a treat, and I gripped her arse cheeks tight as my balls slapped against her delicious derrière. I was really fucking at a pace now, and I could sense my time was imminent. “Where do you want my spunk?” I asked Hazel. “All over my bum,” she demanded.

A few more long strokes and I pulled my prick out of her sopping twat. Wanking for all I was worth, I fixed my gaze on that freckled, inviting arse. Oh, relief! My spunk sprayed like a hosepipe, covering those pretty bum cheeks with my creamy come, torrents of the sticky stuff. Hazel reached behind her and rubbed it into her backside. She reckons spunk is good for the skin.

I pocketed her knickers, and needless to say they're full of more creamy stains now. I can't wait till next month. I think I'll shoot my next load over that girlish face. – *Trevor, London EC1*

OK, so we lied. Back in Vol 17 No 7 when this lady appeared as our Holiday Girl, we called her Frances. And now she's spreading her legs for you here, we're calling her Careena. Crazy, eh gang?

But we weren't *really* lying – she really *is* called Frances. It's just that back home in the US, she goes under the name of Careena Collins, and she gets in front of the camera in films like *Dressed To Thrill* and *Nymphette Does Hollywood* and sucks cock like a demon. In fact, there's nothing she likes

better than coming on camera, she told us.

headphones and make 'Tssss-tt-tss-tish-tish' noises without moving your lips. That usually stops even the most ardent railway fanatic from regaling you with the history of the Type 22 Coco class diesel.

Despite this, the journey was marred by a constant rattle. Not from the train but from those British Rail bastards. Since the invention of the in-transit tannoy, all B.R. men seem to think they're Steve fucking Wright. Before each station, an incomprehensible Glaswegian guard with a hare-lip informed us of every possible combination of journeys that could be made there, then the instant we pulled out, another speech therapy failure delighted passengers with the news that we were running 39 minutes late.

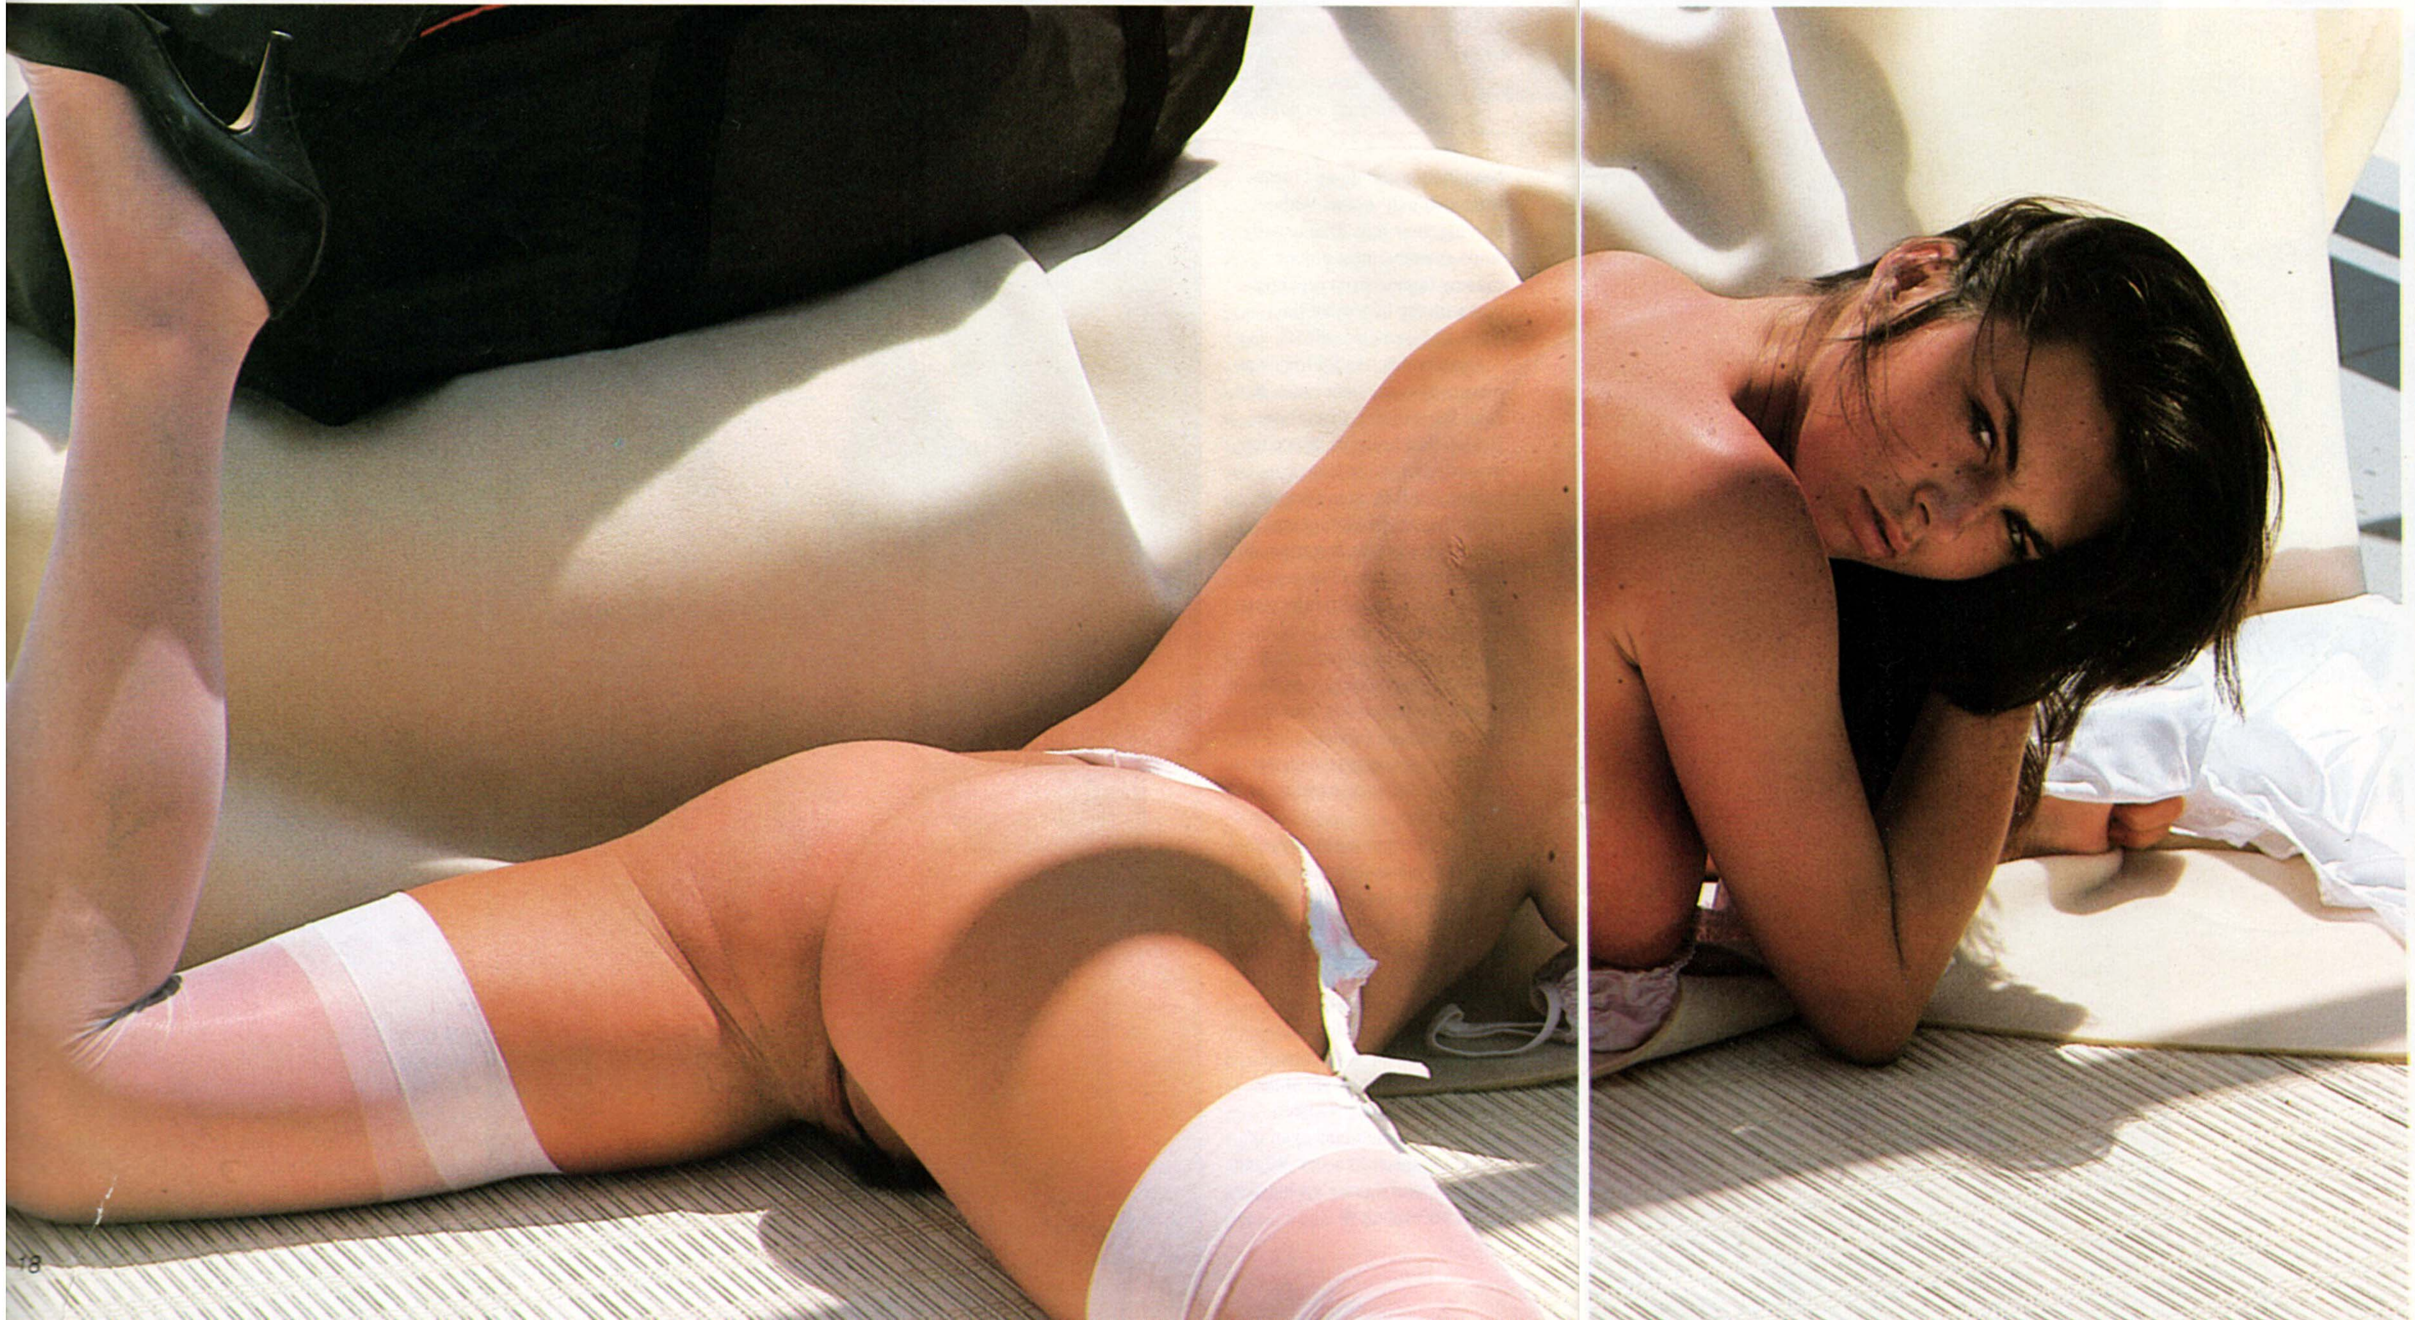
In an effort to enjoy myself, by Birmingham International I'd consumed ten pints of Arkwright's Real Yorkshire Ale (£1.50 a can), three Bacon, Lettuce and Any Other Shit Lying About sandwiches (£1.25) and two individual apple and black-stuff pies. However, my welcome at the N.E.W. couldn't have been warmer. The Belgians even rolled out the red carpet. Which is just as well – puke's a bugger to get off asphalt.♣

Jane

Photographs by Michael Moore

There's nothing plain about Jane, as you can clearly see – except for the plain fact that she's bloody gorgeous! She gets that reaction from all the men she meets; so what type of man does she actually go for?

"I really prefer older men, I must confess – and most preferably in their forties," said the 22-year-old from the Lake District. "They're usually very



experienced lovers, and are willing to do just about anything and everything in bed. Exactly how I like my sex!

''Take my latest lover, for example. He's 44, fit as a fiddle, with a great body and endless energy for fucking. His favourite place for it is standing up in the shower, but we've done it all over the place.''

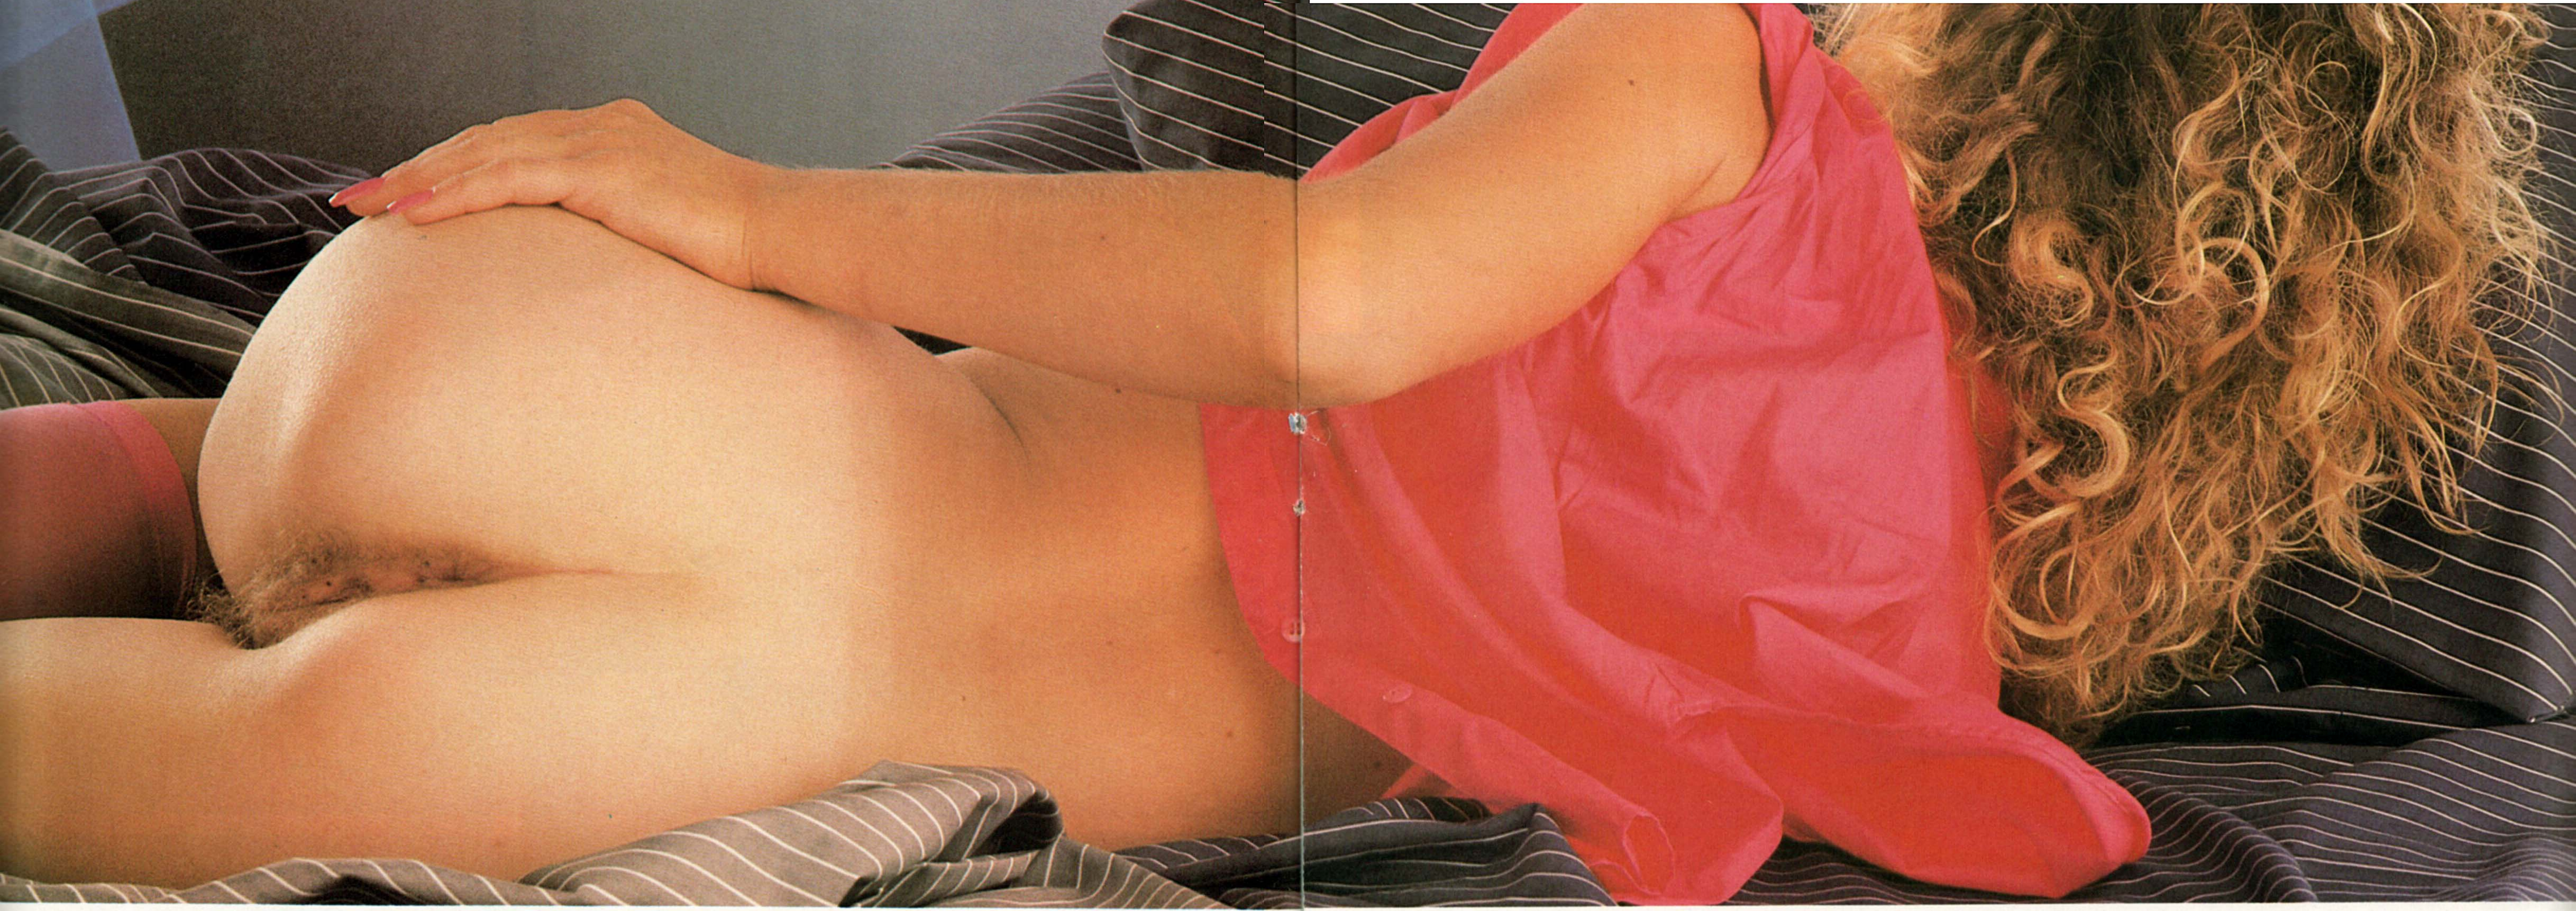
Does she go for that distinguished look too?

''Ooh, definitely! My ideal looking bloke would walk up to me wearing a very well-cut suit and expensive shoes, and would have little streaks of grey in his hair. It makes them look so, well, sexy! You just know they know what they're doing.''

There's hope for the old 'uns yet, then.♣

Karen

PHOTOGRAPHS BY RUPERT DAINES



As you can see from these pictures, Karen's really in the pink. And so she should be – she's got herself not one, but two, new boyfriends!

''To put it bluntly,'' the 23-year-old Dover lass told us, ''I'm getting shagged about ten times a day just now, and I'm loving every minute! My friends can't

believe I've got the stamina to keep up with so much sex, but believe me, it's my two blokes who end up struggling!

‘‘Neither of them know about each other, so I hope they're not reading this issue of Club or I'll be in trouble. But I just couldn't give either of them up – they're both so good in bed. Unless I have a better offer when your readers have seen this photo session, that is . . .’’♣

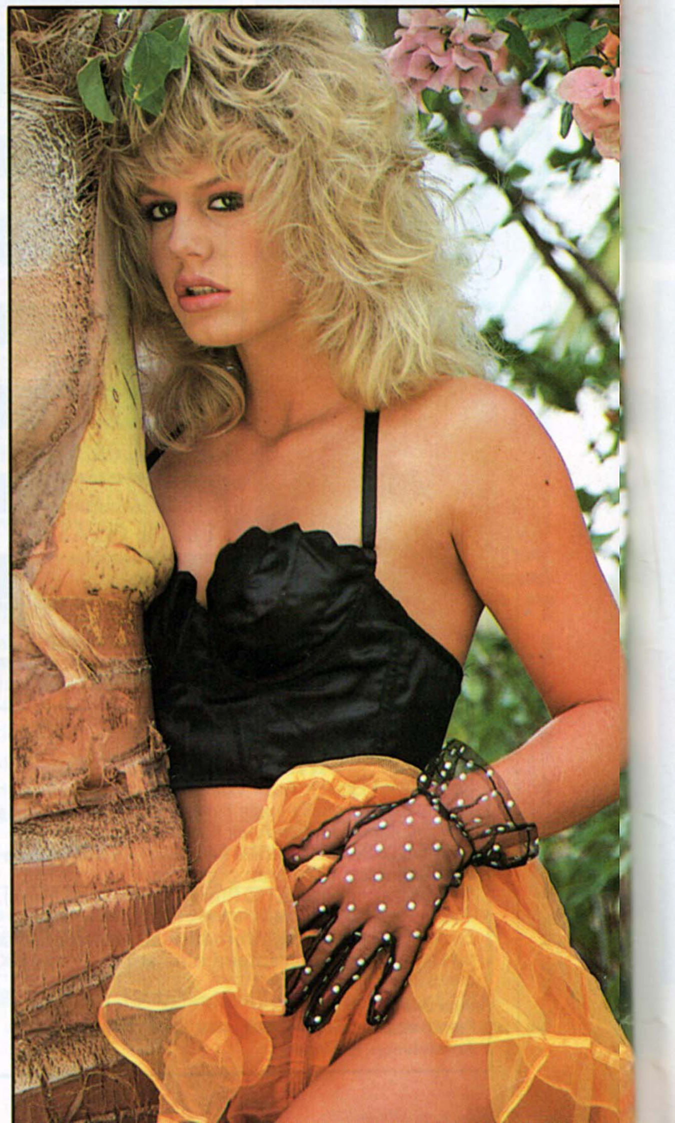
Our 18-year-old corker Katie is coy about where she comes from – but she knows exactly where she's going.



"I'm hoping to get right to the top," she informed us. "And doing that by taking my clothes off and flaunting myself in front of the camera seems like the best way to get there!"

And we couldn't agree more. ♣

Melanie

Melanie told us straight away that she had something to confess to us. Spill the beans then, Melanie.

"I've never done this sort of thing before!" the 20-year-old Bradford brunette revealed.

Photographs by Michael Moore

What, never dropped her togs for a men's mag before?

''Never. It's something I'd often thought about because I've done a lot of ordinary fashion modelling. Showing myself off to people really excites me, and the thought of men looking at all of me, and fancying me, just makes me feel so randy! So nude modelling seemed like a very natural step for me to take.''

And we're bloody glad she did.♣

''I *was* a bit of an ugly duckling – I've only become a little bit pretty in the last few years,'' she said. ''I still can't believe I'm pretty enough to go in Club, though.

Tracy has exactly what we like most in an 18-year-old: she's not some French beauty queen, she's just an ordinary, cute, friendly Scottish teenager who happens to be *incredibly sexy*. We told her as much after the photo session.

TRACY

Photographs by John Graham

Men never seem to ask me out. I've never had a proper boyfriend – I've just snogged at parties a few times. Nothing more than that, really.''

Could this mean that Tracy hasn't, er . . . ''Yes, I'm still a virgin. But some time soon I hope I'll

meet a nice boy and that will change! If your readers really like my pictures, I might even get the confidence to ask a boy out myself some time.''♣
